**Voters Need to Make Sure Their Information is Current
Updated address information is vital for receipt of voter information and mail-in
ballots**

(Denver) – The Denver Elections Division is asking Denver voters who have recently moved to verify that their address information on file with the Elections Division is correct so that they will be directed to the correct polling place on Election Day. This information is also important for mail-in ballot voters to ensure that they receive their mail-in ballot at the correct address. The deadline to register to vote or change an address is Monday, October 6.

Voters can verify their address information or download a voter registration form at www.denervotes.org. The form can be returned by fax to 720-913-8600, scanned and emailed to voterregistration@denvergov.org, or mailed to 3888 E. Mexico Ave. Denver, CO 80210.

Voters needing more information can visit the Denver Elections Division website at www.denervotes.org or call 720-913-VOTE (8683).
