RULES AND REGULATIONS
GOVERNING ESTABLISHMENT OF ANIMAL SERVICE FEES**

As Amended: _____ [date]

SECTION 1.0 INTRODUCTION

The City Council has authorized the Board of Environmental Health to promulgate rules and regulations to establish a reasonable amount to be assessed as the fees authorized by Chapter 8 of the Denver Revised Municipal Code and to authorize the manager, at the manager's discretion, to waive any such fee in hardship cases or when in the public interest.

These rules and regulations are adopted and issued by the Board of Environmental Health of the City and County of Denver in accordance with the authority contained in Article II of the Charter of the City and County of Denver and Section 8-5 of the Denver Revised Municipal Code. This 2011 amendment adds a fee for issuance of a restricted livestock or fowl license; see Table 1. This second 2011 amendment adds a lifetime license fee for dogs and cats and extends the senior citizen discount to one dog or cat lifetime license. See Table 1.

A copy of these rules shall be made available without charge to persons seeking to file an appeal of an administrative citation. The Manager shall use his or her best efforts to maintain a current copy of these Rules on the Department's website.
