- This free fun filled event features a keynote speaker, interactive workshops, entertainment, food, and roundtable discussions on the latest hot topics as identified by the SCYLT.
- Summit is open to all youth between the ages of 13 to 18.
- The SCYLT is excited to announce they will have their first \$500 College Scholarship which they raised the money by fundraising. The College Scholarship is in Memory of Walt Beckert.
- DPS students will get school credit for attending the summit (*students are responsible for getting attendance signed off at the summit and returning attendance sheet to their respective school*)
- SCYLT is a youth run organization dedicated to improving the leadership skills of Denver’s youth while supporting and improving the community.
- The all day summit was designed to give youth a chance to discuss issues they face. In addition, the summit offers a process for youth to politely interact to support programs and policies that better the lives of youth within the Denver-metro area. The Summit’s mission is to create a safe forum for youth to discuss, address, and implement an ongoing youth partnership within the community.
- For the past seventeen years the SCYLT has planned and coordinated the Summit. The Summit’s agenda and workshops are developed, coordinated, and implemented by a 16 member team comprised of youth between the ages of 13 to 18.
- The SCYLT is currently recruiting a Keynote Speaker.
- Register at safe.city@denvergov.org or call 720-913-4707.
If you would like to be a workshop presenter, have a booth display at the summit or provide a donation please contact Theresa Kimmert, Program Coordinator at 720-913-4622
