LIGHTS ON AFTER SCHOOL TRAINING DESCRIPTIONS

Spotlight on Youth Development

This training is for new and veteran after-school staff alike. Spend a jam-packed session sharpening your skills, and connecting with other after school staff. Participants will receive tools, tips, take-away items and ongoing follow up support to help you:

- SHOW UP** for students and the school community.
- SHAPE** the after-school experience for the students with whom you work .
- SHARE** yourself and your passions to build relationships with the students in your program.

Advanced Parent Engagement

REQUIRES PRIOR ATTENDANCE AT A PARENT ENGAGEMENT BOOSTER SESSION.

Designed for participants who have previously attended a Parent Engagement booster session, this training will provide additional tips and tools to take the new understanding of parent engagement you gained and help you continue to build strength based relationships with parents and work parents as partners.

Moment Management

REQUIRES PRIOR ATTENDANCE AT SPOTLIGHT ON YOUTH DEVELOPMENT TRAINING SESSION.

You've completed the introductory Spotlight Training, now take what you've learned a step further! This fun, interactive workshop will use role-plays and other techniques to provide you with practical tips for shifting from simply managing behavior to creating a meaningful after-school experience for students.

Spirit of Culture

The Spirit of Culture walks participants through a strength-based approach to cultural competency. The session provides relevant examples of how cultural competence, when linked to youth development, can be effective in developing positive relationships with young people. Perfect for anyone working with youth in ethnically diverse communities. In this session you will:

- Explore individual and group cultural identity.
- Link positive youth development and cultural competency to help move your youth service program to the next level.
- Participate in experiential exercises designed to expand your knowledge base.

Advanced Spirit of Culture

REQUIRES PRIOR ATTENDANCE AT A SPIRIT OF CULTURE TRAINING SESSION.

If the initial Spirit of Culture training session left you eager to learn more, Advanced Spirit of Culture will continue to demonstrate and allow participants to practice a strength-based approach to cultural competency. This session will include more hands on exercises and continue to make the link between positive youth development and cultural competency.
