MEMORANDUM

DATE: March 2, 2009
TO: Guillermo Vidal, Manager of Public Works
FROM: Michael Sheehan, P.E., Senior Engineer
SUBJECT: CE92009, Police Traffic Operations & Firing Range CM/GC Selection

The Request for Proposal (RFP) for this project was issued on February 2, 2009. On February 27, 2009 the interviews of five CM/GC contractors were held.

The five (5) teams presenting to the Selection Committee were:

1. Haselden Construction
2. FCI Constructors, Inc.
3. The Weitz Company
4. Hensel Phelps Construction Co.
5. Pinkard Construction

The Selection Committee for the interview evaluations was comprised of:

1. Captain Joe Padilla - Police Traffic Operations
2. Lt. Scott Kaye - Police Traffic Investigation Bureau
3. Sgt. Larry McCandless - Police Firing Range
4. Stephen Sholler - Facilities Planning and Management
5. Michael Sheehan - Public Works

On February 27, 2009, the Selection Committee met after attending the interview evaluations. The Selection Committee recommends we select and negotiate a contract with **Haselden Construction** for the Police Traffic Operations and Firing Range project. Failure to negotiate a successful guaranteed maximum price with Haselden Construction will result in the City and County of Denver moving to the second ranked team of FCI Constructors, Inc.

Approved: 
Guillermo Vidal, Manager of Public Works
