## Sewer Stub-In Permit Entrance Requirements

<b>Authority:</b>	<ul style="list-style-type: none"> <li>✚ Revised Municipal Code, Chapter 56, Article III, Division 2</li> <li>✚ Public Works Rules &amp; Regulations Governing Sewer Charged and Fees and Management of Wastewater</li> <li>✚ Department of Public Works, City &amp; County of Denver, Wastewater Management Division Standard Details</li> </ul>
<b>Document Date:</b>	October 6, 2008
<b>Permit Dates:</b>	The work must commence within one year of the issuance date of the permit, and there must be no lapses of construction for a period of a year or more.
<b>Customer Interface:</b>	<i>Most</i> communications between the City and the customer will be done through Public Works Permit Operations (PWPO) 303-446-3759. The customer may also have cause to speak with Public Works Engineers and Inspectors.
<b>Considerations:</b>	<p>See the <b>General Guidelines for Sewer Use &amp; Drainage Permits</b> for basic submittal requirements</p> <ul style="list-style-type: none"> <li>✚ Sewer Stub-In Permits are requested in special circumstances such as when the contractor needs to install part of a building sewer service and the SUDP for the building has not been issued. This could be when a street is going to be paved and the contractor needs to install all utilities in the right-of-way to avoid cutting into the newly paved street or alley.</li> <li>✚ The issued SUDP will indicate that it is for Stub-In construction only and will state a supplemental SUDP will be required prior to connection of any future building(s) to the stub-in(s).</li> </ul>
<b>Fees:</b>	Application fee of \$100.00 at the time of submittal.
