Dear Denver Business Tax Filer,

In November of 2009, the Denver Treasury Division will roll out improvements related to Denver's sales, use, lodger's, occupational privilege, TBT (telecommunications business tax), and FDA (facilities development admissions) tax. We want all business tax filers to have a preview of these changes that will allow for better processes and services.

### What will change?

- Improved and simplified tax returns  
New tax returns with instructions will be mailed to all account holders approximately three weeks before the return due date for monthly, quarterly, and annual filers. For your convenience, the new returns can be previewed online at [www.denvergov.org/treasury](http://www.denvergov.org/treasury), beginning October 1, 2009.
- New taxpayer account numbers  
All account holders will receive new account numbers by mail in November, 2009, prior to any filing requirements.

### Who will experience changes?

- Businesses that file any of the above named taxes
- If you use an accounting firm or bookkeeping service to file your taxes, please share this information with them

### When will the change occur?

- Mid-November 2009

### Where can I receive more information?

- More information will be sent to all account holders between now and November of 2009.
- For questions, please contact our Taxpayer Service office at **720-865-7075**

Thank you,
