- ▶ YOU MUST FILE A RETURN EVEN IF YOU HAVE DETERMINED THAT NO TAX IS DUE
- ▶ IMPORTANT INFORMATION IS ON THE BACK

**\*\* All entries on this Lodger's tax return must be rounded to the nearest dollar. You will still collect and keep track of exact amounts of sales tax. Books, records, and statements or invoices to buyers must reflect actual tax amounts. It is only when you fill out the return that you will round the numbers you are reporting. Round amounts under 50 cents down to 0 (zero) cents. Increase amounts from 50 to 99 cents to the next dollar. \*\***

- Line 1** Enter gross receipts from all activities for the period. Do not include Lodger's Tax collected.
- Line 2a** Enter collections during the period of bad debts which were deducted on Line 3d in a prior period.
- Line 2b** Enter the total of Lines 1 and 2a.
- Line 3a** Enter the receipts from non-taxable service or labor. Examples include valet and laundry charges, parking charges, health club fees, etc.
- Line 3b** Enter DIRECT sales to Federal, State, or Local Governmental departments or agencies, and exempt charitable and religious organizations. Direct sales are those which are paid directly by the exempt organization from its own funds and not by the individual on a reimbursement basis.  
**NOTE:** This includes any bona fide agencies of Federal, State or Local Government, known Churches or Synagogues, and those other Charitable Organizations which have been specifically exempted by letter from the Denver Department of Finance, Treasury Division. A copy of that letter should be retained in your files to substantiate the exemption. A letter or number issued by the State of Colorado, or any other state, is not sufficient to allow a charitable exemption.
- Line 3c** Enter sales to lodgers who have entered into a written binding agreement for a period of residency of 30 days or more.
- Line 3d** Enter bad debts from uncollectible accounts for lodging written off during the period upon which tax was previously remitted to the City.
- Line 3e** Enter any deductions which you are claiming with a complete description and attach related documentation.
- Line 3f** Enter the total of Lines 3a thru 3e.
- Line 4** Enter the difference between Line 2b and Line 3f.
- Line 5** Multiply Line 4 by 10.75% and enter the result here.
- Line 6** If the amount of Lodger's Tax collected during the period exceeds the amount on Line 5, enter the excess amount on Line 6.
- Line 7** Enter the total of Line 5 and Line 6.
- Line 8A** If the return is filed or paid after the due date, enter 15% of Line 7 or \$25.00, whichever is greater.
- Line 8B** If the return is filed or paid after the due date, enter 1% of Line 7 for each month or part of a month late.
- Line 9** Enter the totals of Lines 7, 8A and 8B.
- Line 10** Enter any credits claimed for the period. You must include an explanation and attach appropriate documentation.
