Denver Parks & Recreation Preparing for Summer Fun **Denver prepares with boot camp for lifeguards**

Who: Denver Parks and Recreation and Aquatic staff.

What: Denver Lifeguard Boot Camp

When: Saturday, May 30, 2009 at 8:00am – 11:45am and 1:00pm – 4:30pm

Where: Congress Park Pool – 9th Avenue and Elizabeth Street

Why: With the opening day of Denver Parks and Recreation's pools scheduled for **June 6, 2009** and an estimated record-high attendance at our pools this summer, it's important that we prepare our lifesavers. Denver's extensive boot camp like training is aimed to prepare lifeguards for any situation. Our no-nonsense instructors will do a lot of screaming and yelling while guards are participating in deep and shallow water test scenarios.
