

Theme

"Follow Cherry Creek"

Pulaski Park is located at the intersection of S. Madison St. & E. Bayaud Ave. in Denver. The park is located in the Cherry Creek neighborhood and in close proximity to Cherry Creek, which inspired the theme "Follow Cherry Creek". The design goal is to create a playground for children of all ages and abilities and to include play opportunities, such as informal play areas & play structures that develop a child's imagination, physical and social skills.
