Wheel Fun turns the fun up in Denver this summer

DENVER, CO — May 1, 2009 — For the past four years, Denver Parks and Recreation and Wheel Fun Rentals have been providing Denver residents and visitors leisure opportunities in various parks. This summer they are adding new rental locations in the City.

Wheel Fun has been providing paddle boats and bicycles at Denver's Washington Park for four years. Last year, Wheel Fun Rentals also provided paddle boats at City Park and bicycles at Stapleton Central Park. This summer they are adding bicycle rentals at City Park. They are also adding a new rental location at Berkeley Park. This park will have small sail boats as well as paddle boats for rent.

Established in 1987, Wheel Fun does business across the country at numerous resorts and hotels. Wheel Fun designs and imports all of its own products to offer fun for all ages with unique rental equipment that is built to last.

Wheel Fun Rentals are available 7 days per week from Memorial Day through Labor Day and on weekends, weather permitting. For more information contact Geno Wasilewski at 720-254-6612.
