Dear Luz,

On behalf of the Denver Latino Commission, we would like to recognize you for the work you do on behalf of our community at the Westside Family Health Center. One of the goals of the Commission is to advocate on behalf of the Latino/a community. In 2009, the Commission recognized Dr. Chris Urbina for being a fantastic proponent of the Latino/a community within Denver Health, an organization whose patient population is primarily from our community. Our research and references have lead us to you this year, as another employee within Denver Health who makes sure that patient advocacy is a daily priority.

Especially in light of the discriminatory immigration law Arizona recently passed, the Commission believes it is critical to ensure that the voice of our community remains strong. You are one of the community's strong voices, and we would be remiss in failing to recognize that.

Thus, in addition to your fantastic 2008 Boss of the Year award, we would like to add our gratitude and recognition.

With gratitude,

Derek C. Blass, Esq., Co-Chair
