

## **Development Review**

### **Development Case Status List**

The list that follows includes site plans and subdivisions submitted to the City. Below is a link to a list of cases and their status. The case managers are identified by initials. Click on the Contact Us link to get more information on how to contact each manager, or call the department receptionist at 720-865-2915.

Case information can be found by searching the database. This includes information about the development area, project details, contact information, and phase of process. [Click here](#) to search the database.
