

## OPERATIONAL REQUIREMENTS FOR SPECIAL EVENT PARKING LOTS

1. Event parking of vehicles must be according to Article V Off-street Parking Requirements Chart I, “off-street parking” as shown on approved Special Events Parking Permit parking diagram. Failure to comply with the approved diagram or over parking the number of vehicles may result in a court summons.
2. No other temporary signage for the lot is permitted accept for the parking lot sign provided by the Zoning Administration.
3. Operators of special event parking lots are not permitted to flag customers into lots from the public right-of-way.
4. No vehicles can be parked and/or charged a fee on public right-of-way. Vehicles may be subject to ticketing and towing.
5. Continued violations of the above requirements shall result in the cancellation of the temporary permit.
