GENERAL STATEMENT OF CLASS DUTIES

Performs public safety and recreational work supervising, swimming and enforcing regulations at a municipal pool.

DISTINGUISHING CHARACTERISTICS

This class is distinguished from Lifeguard in teaching swimming and water safety courses to all ages and levels. Both classifications perform basic public safety enforcement of regulations a municipal pool.

Guidelines, Difficulty and Decision Making Level

Procedures, methods and techniques to be used are well established with options to be considered well defined. Tools, work aids and materials to be used are specified. Work steps are demonstrated or made clear by straightforward oral instructions.

Detailed oral and/or written instructions are normally given during the training period. Work steps involve a pattern of sequential motions such as push, pull, lift, carry or place which may include making gross discriminations as to size, color or readily observable conditions.

Duties assigned are primarily routine, repetitive and restricted in intricacy with little or no discretion in how they are carried out.

Level of Supervision Received and Quality Review

Under close supervision, the employee receives training to develop skills and abilities in a specific line of work or general occupational area. Work product is subject to close, continuous inspection.

Interpersonal Communications and Purpose

Contacts with the public or employees where factual information relative to the organization or its functions is received and relayed, or a service rendered, according to established procedures or instructions.

Level of Supervision Exercised

None

ESSENTIAL DUTIES

Teaches swimming and water safety courses to all ages and levels

Observes and patrols pool and enforces safety regulations.

Assists swimmers from water when in danger.

Performs resuscitation and first aid when appropriate.

Some positions coach swimming teams.
