

Career Service Authority
Digital Imaging Technician

Page 1 of 4

GENERAL STATEMENT OF CLASS DUTIES

Operates photo digitizing hardware and software to enhance and preserve original images for archiving and retrieval on digital media.

DISTINGUISHING CHARACTERISTICS

This class is used at Denver Health Medical Center and is being maintained for promotional purposes.

Guidelines, Difficulty and Decision Making Level:

Guidelines are generally numerous, well established, and directly applicable to the work assignment. Work assignment and desired results are explained by general oral or written instructions.

Duties assigned are generally repetitive and restricted in scope but may be of substantial intricacy. Employee primarily applies standardized practices.

Decisions or recommendations on non-standardized situations are limited to relating organizational policies to specific cases. Problems that are not covered by guidelines or are without precedent are taken up with the supervisor.

Level of Supervision Received and Quality Review:

Under normal supervision, within a standardized work situation, the employee performs duties common to the line of work without close supervision or detailed instruction. Work product is subject to continual review.

Interpersonal Communications and Purpose:

Contacts with the public or employees where explanatory or interpretive information is exchanged, gathered, or presented and some degree of discretion and judgment are required within the parameters of the job function.

Level of Supervision Exercised:

No supervisory duties.

ESSENTIAL DUTIES

Digitizes images into database for preservation and enhancement by imaging software.

Uses hardware and software to fine-tune original digital image for color and resolution and performs quality assurance.

Stores digital image files on various digital media.

Keeps records of work flow, image creation, and storage of digital files.

Develops procedures for programming and execution of software to manipulate digital images.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

MINIMUM QUALIFICATIONS

Competencies, Knowledge, & Skills:

Integrity/Honesty - Displays high standards of ethical conduct, understands the impact of violating these standards on an organization, self, and others, chooses an ethical course of action, and is trustworthy.
