

Airport Improvement Projects Grant – 1 of 2

Purpose of Funds: The Airport Improvement Program (AIP) provides grants to public agencies — and, in some cases, to private owners and entities -- for the planning and development of public-use airports that are included in the [National Plan of Integrated Airport Systems \(NPIAS\)](#).

Receiving Department: Denver International Airport

Amount: \$7 million

Type of Grant: Competitive

Estimated Jobs Created/Retained: 64 jobs retained

Public Process:

City Council approved a contract in March but for security reasons DIA does not take public input on infrastructure projects. They will give regular progress reports to the Oversight Committee and we will post them on our website. DIA also updates the City Council Economic Development Committee regularly on projects at DIA.

Proposed Spending:

This grant is being used to rehabilitate pavement on runway complex 17L-35R at DIA.

For more information, please see the oversight committee docs at <http://www.denvergov.org/stimulus>
