

Council President Jeanne Robb sent this message to all council members, asking for help in publicizing the area plan survey. Also, to understand Councilwoman Robb's message, let me interpret a couple acronyms: ROW means "right of way" and BID means "business improvement district." Thanks for your help.

The City of Denver is gathering input regarding use of public spaces and critical connections within the Cherry Creek retail area. This information will be used to inform recommendations for the Cherry Creek Area Plan. Whether you are a resident, business owner, employee or visitor to Cherry Creek, we would like your input. This survey should take less than 10 minutes of your time. And as a bonus, at the end of the survey is an opportunity to enter to win a \$50 gift card to Cherry Creek businesses!

You can access the survey at <http://www.surveymonkey.com/s/cherrycreekareaplan1>. Survey responses will be collected until 5pm on March 3, and results should be posted the following day on our Cherry Creek Area Plan website: <http://www.denvergov.org/cherrycreek>. You can also access the survey directly from this website.
