

## **NO CHANGE? NO PROBLEM! DENVER WELCOMES NEW SMART METERS!**

### **WHAT ARE SMART METERS?**

Smart Meters are solar powered, wireless meters that accept Visa and MasterCard credit and debit cards, coins and **COMING SOON: ParkSmart Denver cards, pre-paid credit card sized plastic cards that will be available in amounts ranging from \$5 to \$100.**

### **WHERE ARE THE SMART METERS?**

4,500 Smart Meters will be installed throughout Denver by May, 2010. The Smart Meters will replace Denver's older, traditional parking meters. Not all meters in Denver will transition to Smart Meters; around 20% of the original meters will remain in areas where the character has changed and metered parking is being re-evaluated. Parking kiosks will not be transitioned to Smart Meters.

### **CASH KEY INFO**

#### ***Your Options As a Cash Key Holder:***

- 1. Keep your cash key and re-load it for use in Denver's remaining original meters**

**While most meters in Denver will transition to Smart Meters, there will still be some original meters on the street that will accept Denver's Cash Keys.**

If you have a Cash Key, you can continue to re-load it at the following locations:

- The Webb Building, 201 West Colfax, 1st floor, Cashier Counter
- The Wastewater Building, 2000 West 3rd Street, Permit Counter
- Both Tattered Cover locations: 2526 East Colfax Avenue at Elizabeth Street and 1628 16th Street at Wynkoop
- The Downtown Denver Partnership, 511 16th St Ste 200

**Smart Meters will not accept the Cash Key, but are made to accept the ParkSmart Denver cards. While you may continue to re-load your Cash Key, no more Cash Keys will be sold.**

- 2. Return Your Cash Key**

Bring your **Cash Key** and **photo ID** to any of the above locations and we'll mail you a check within six weeks for any cash left on the key and for any deposit made on the key. Deposit amounts vary, but each key is tracked in our system.
