Got Questions, Ideas, or Concerns about City Services?

Please join **Councilman Michael Hancock** at one of two District 11 City Services Summits. These summits are designed to improve communications between the city and district residents. Invited city departments include: Public Works (trash collection, recycling, traffic planning, road repair and maintenance), Safety (police), Library, Parks & Recreation, Environmental Health (animal control), Zoning (Zoning Code), and Neighborhood Inspections. Attendance is free.
