Routine, non-controversial requests for ordinances that are not substantive policy changes may be placed by Committee staff on "Consent Agendas" for Council Committees each week with the approval of Committee chairs. Councilmembers receive the consent agendas for review at weekly Council meetings (usually Mondays) and have until the end of the week to request that an item be scheduled for Committee discussion. If approved (i.e. there are no objections from Councilmembers), items are placed on the Mayor/Council agenda the following week. This document outlines the items that were placed on consent agendas this week.
