DON'T WAIT IF YOUR PET BECOMES LOST!

Denver ordinance requires the shelter to hold your animal for 5 days before it becomes property of the shelter.

At this time, your pet can be adopted out to another family.

If your pet is adopted out, the new owner legally does not have to give the animal back to you.

NO ESPERE SI SE PIERDE SU MASCOTA!

La ordenanza de Denver requiere que mantenemos su animal por 5 días antes de que sea propiedad del refugio.

Después de los 5 días, su mascota puede ser adoptada a otra familia.

Si su mascota se adoptó, el nuevo dueño legal no tiene que devolver el animal.
