West Area Plan: Project Timeline

- Project Kick-off
- PhotoVoice Project
- WDRC Partnership
- Kickoff Survey
- Monthly Steering Committee Meetings

Fall 2019

- Public Meeting
- Monthly Steering Committee Meetings
- Resource Fair
- COVID-19

Winter 2019 - Spring 2020

- Online Workshops
- Focus Groups
- Monthly Steering Committee Meetings
- Youth Engagement
- Displacement Panel

Summer - Fall 2020

- Online Workshops
- Community Meetings
- Monthly Steering Committee Meetings
- Consult with Partners

Winter 2021

- Community Focus Groups
- Community Meetings
- Monthly Steering Committee Meetings
- Develop Draft Plan

Fall 2021-2022

- Community Review of Draft Plan and Adoption Process

Spring - Summer 2022

- Existing Conditions Research and Community Listening
- Community Input Analysis and Draft Vision Statements & Community Priorities
- Confirm Community Vision & Priorities and Develop Draft Recommendations
- Share and Gather Community Input on Draft Recommendations to Achieve Vision & Priorities
- Updates to Draft Recommendations Based on Community Input
West Area Plan Starting Point...

Comprehensive Plan 2040 & Blueprint Denver

Equitable, Affordable and Inclusive

Strong and Authentic Neighborhoods

Connected, Safe and Accessible Places

Economically Diverse and Vibrant

Environmentally Resilient

Healthy and Active

In 2040... Denver is an equitable, inclusive community with a high quality of life for all residents, regardless of income level, race, ethnicity, gender, ability or age.

In 2040... Denver’s neighborhoods are complete, unique and reflective of our city’s diverse history.

In 2040... Denver is connected by safe, high-quality, multimodal transportation options.

In 2040... Denver is a global city with a robust economy that reflects the diversity of our community.

In 2040... Denver is a thriving, sustainable city connected to nature and resilient to climate change.

In 2040... Denver is a city of safe, accessible and healthy communities.
West Area Plan Starting Point...
Access for an Equitable City

- **Improving Access to Opportunity**: Creating more equitable access to quality-of-life amenities, health, and quality education.
- **Reducing Vulnerability to Displacement**: Stabilizing residents and businesses who are vulnerable to involuntary displacement due to increasing property values and rents.
- **Expanding Housing and Jobs Diversity**: Providing a better and more inclusive range of housing and employment options in all neighborhoods.
The Elements of a Complete Neighborhood

**Land Use & Built Form**
Enhance the character and quality of neighborhoods.

**Mobility**
Connect people to the neighborhood places where they live, work and play.

**Quality of Life Infrastructure**
Provide neighborhoods with parks and open spaces, natural features, recreation opportunities and social spaces.
Acknowledging Past Inequities
West Area Community Guiding Principles

We heard and learned that...

• **Principle #1 – To nurture, we should...** Support existing residents, neighborhoods, businesses and community character.

• **Principle #2 – To preserve, we should...** Preserve existing homes, small businesses, and encourage new development to fit in the neighborhood.

• **Principle #3 – To adapt, we should...** Enhance and improve the natural environment. Plant more trees, promote parks and open spaces, and address pollution.

• **Principle #4 – To expand, we should...** Encourage affordable housing at all income levels, including housing for lower-income families. Expand housing options beyond apartments and single-family homes to include affordable duplex, triplex, tandem homes, and accessory dwelling units.

• **Principle #5 – To grow, we should...** Direct future growth to areas that can “handle it” near transit, along major roads, and around gulches and trails.
How We Learned: Intentional Engagement

- Targeted Interviews
- Attending Community Events
- Input from Community Partners
- Listening to Neighbors and Stakeholders
- Meeting with Residents
- Conducting Surveys

Community Steering Committee
What We Learned from the Community....

How We Used What We Learned...

Quality of Life

- Recommend strategies that **protect and improve the natural environment, promote trees, and open spaces** to serve the needs of West Denver residents.
- Suggest policies that advance **energy efficiency and Denver’s Climate Action Goals** that will help our city adapt to a changing climate.
- Recommendations to support **recreational and cultural activity** programming to promote active lifestyles that are consistent with the desires of area residents of all ages and interests.
- Recommendations that promote **Increased fresh food access, availability, and affordability** throughout all West Denver communities.
- Suggest initiatives that **address food insecurity**, maintenance, and improvements to existing local businesses.
- Propose projects and programs to **reverse the past decisions** which impact the Quality of Life in West Denver today.

Mobility

- Recommendations to **improve pedestrian and bicyclist safety** and comfort.
- Establish new **balanced corridors and connections** that **improve connectivity**, increase user comfort and overall safety.
- Recommendations to **install new sidewalks and repair sidewalks** along corridors identified by the community as priority areas.
- Projects and programs that recommend **safety Improvements** to improve, repair or complete existing crossings.
- Conduct studies and seek funding to **improving transit service** in and through West.
- Retrofit infrastructure to **slow traffic** along neighborhood streets directly surrounding senior living facilities, schools, parks, hospitals, libraries, commercial areas, and recreational centers.
How We Used What We Learned...

**Economy and Housing**

- Consider programs that **produce an increase in the supply of affordable housing** in West Denver.
- Expand the **diversity of housing types** for all ages and income levels.
- Promote **housing for families** with amenities and services that meet their needs.
- Explore ways to **strengthen the economic vitality of corridors** to create opportunities for small-business development and reduce involuntary business displacement.
- Encourage programs that **preserve and expand the local employment base** of the existing West Area value manufacturing base.
- Develop programs that **stabilize residents and small businesses** at risk of involuntary displacement.

**Land Use**

- Create a future vision that **directs future growth** to high-capacity corridors and centers.
- Future development should **ensure compatible redevelopment and/or repurposing of sites within neighborhoods**.
- **L5: Expand mixing middle housing** within Low Residential places
- Preservation policies seek to **promote retaining, instead of demolishing, existing older homes** to respect community culture and context.
- Encourage the **preservation of historic and culturally significant areas and homes** in West Denver.
- Support development that **expands the diversity of housing types and engages the community** in their desires to create complete neighborhoods.
Remaining Steps in the Process

MAY-JUNE
- Public Draft Review

JUNE-JULY
- Draft Revisions

JULY-AUGUST
- 2nd Draft & Planning Board

AUGUST-SEPTEMBER
- Begin City Council Review

PUBLIC ENGAGEMENT AND COMMUNITY OUTREACH THROUGHOUT
How You Can Provide Feedback...

Visit [DenverGov.org/WestPlan](http://DenverGov.org/WestPlan) to:

- Read the plan and share your feedback directly on the document
- Complete our short comment form
- Find which community groups will be holding meetings to discuss the draft
- Request a presentation for your organization
- Sign up to talk to a member of the planning team at community office hours
