

ARTICLE I. IN GENERAL***Sec. 59-1. Purpose.**

This chapter is enacted to preserve and promote the public health, safety and welfare of the inhabitants of the city, and of the public generally, and to encourage and facilitate the orderly growth and expansion of the city.

(Ord. No. 361-03, § 1, eff. 5-23-03)

Sec. 59-2. Definitions.

The following words and phrases, when used in this chapter, shall have the meanings respectively ascribed to them:

- (1) *Accessory structure*: A detached or attached subordinate structure located on the same zone lot with the main building, the use of which is customary to the main building.
- (1.5) *Adjacent*: Sharing a zone lot line or being separated only by an alley. Named or numbered streets destroy adjacency.
(Ord. No. 326-06, § 1, eff. 5-26-06)
- (2) *Adult amusement or entertainment*: Amusement or entertainment which is distinguished or characterized by an emphasis on material depicting, describing or relating to "specified sexual activities" or "specified anatomical area" or which feature strippers or dancers, or similar entertainment by people who expose any specified anatomical area; provided, however, that live entertainment involving any specified sexual activity is prohibited.
- (3) *Adult care home*: A home occupation providing less than twenty-four (24) hour care of four (4) or fewer clients, over the age of sixteen (16) years. In zone districts where home occupations of foster family care, rooming and/or boarding and adult care home are permitted, only one (1) such home occupation will be permitted in any single-unit dwelling or dwelling unit.
- (4) *Adult establishment*: Any one (1) of the following establishments: adult amusement or entertainment; bookstore, adult; eating place with adult amusement or entertainment; photo studio, adult; sexually oriented commercial enterprise; or theater, adult.
- (5) *Agriculture, limited*: Limited agricultural activities including, but not limited to: grazing of livestock, forage and feed crop production, sod farming, truck farming, and fruit and nut tree orchards; excluding, however, feed lots, hog farms, dairies, poultry and egg production facilities, bee-keeping and apiaries, horse boarding, and riding stables.

***Editor's note**—Ord. No. 361-03, § 1, effective May 23, 2003, repealed article I, sections 59-1, 59-2, in its entirety and replaced it with a new article I, sections 59-1, 59-2. Former article I pertained to similar material and derived from Code 1950, §§ 611.1-1, 619.1—619.485 as amended. See the Table of Zoning Amendments for a detailed list of ordinances amending former article I.

- (6) *Airline reservation center*: An establishment primarily engaged in: ticketing, manifesting, and invoicing air carrier passenger and cargo flight reservations and related travel accommodations by means of telephone and electronic communications. These establishments typically include administrative and sales offices, employee locker rooms, and cafeterias.
- (7) *Airport*: A facility operated by an airport authority or governmental entity that provides infrastructure and services for air travel, together with all activities necessary for, directly related to, or commonly associated with the operation of a major air carrier facility. Such services, infrastructure, and activities may include but are not limited to the following uses: landing fields; facilities for the parking, storage, fueling, repair, and rental of aircraft; passenger and baggage terminals; air cargo operations and associated facilities; public transportation infrastructure, including terminals and stations; safety facilities such as fire and police stations; open space uses such as agriculture, parks, golf courses, and recreation; energy production; retail, concessions, and other uses designed primarily to serve airline passengers and employees; manufacturing or other commercial activities which by customary practice require airside access; and office space.
(Ord. No. 724-06, § 1, eff. 10-10-06)
- (8) *Alley*: A public highway which is a narrow way, less in size than a street, and which is not designed for general travel, which is used primarily as a means of access to the rear of residences and business establishments and which, generally, affords only a secondary means of access to the property abutting along its length.
- (9) *Alter*: Any structural change in the supporting or loadbearing members of a building, such as bearing walls, columns, beams, girders, floor joints.
- (10) *Alternative tower structure*: A man made structure that camouflages or obscures the presence of a tower and is designed to resemble architectural or natural features commonly associated with the site and district where they are located. All such structures shall be subject to the regulatory limitations, such as maximum height and bulk, which are otherwise applicable to like features in the zone district. This term also includes any antenna or antenna array attached to the alternative tower structure.
(Ord. No. 763-05, § 1, eff. 10-28-05)
- (11) *Ambulance service*: The dispatching of vehicles for transportation of ill or injured persons to or from treatment facilities together with incidental storage and maintenance of such vehicles.
- (12) *Amusement center*: A commercial establishment having four (4) or more amusement devices.
- (13) *Amusement device*: An electronic or mechanical device which operates as a game, contest or amusement of any description and which includes, but is not limited to, pinball machines, video games, foosball machines or similar devices. This term does not include musical devices, children's rides or pool and/or billiard tables.

- (14) *Amusement/special interest park*: A complex with both indoor and outdoor entertainment, eating places/restaurants and/or limited retail uses, open to the public upon payment of a fee or admission charge.
- (15) *Animal care, kennel, cattery*: A facility providing animal care or boarding services not restricted to household pets with overnight accommodations, animal hospitals, boarding kennels, and/or the maintaining, raising, harboring and/or boarding of four (4) or more dogs or six (6) or more cats or six (6) or more dogs and cats.
- (16) *Animal sales, service, or care, household pets only*: An establishment engaged in sale, grooming, day care, boarding or providing treatment or care for animals, including sales of animal supplies and overnight observation kennels. All sales of animals, grooming, day care, boarding, treatment, care and overnight observation kennels shall be for household pets only. The use must be completely enclosed except that outdoor animal runs or other areas in which dogs will be allowed outside of an enclosed structure off leash (hereinafter "outdoor run") are allowed between the hours of 6:30 a.m. and 9:00 p.m. Outdoor runs are subject to the procedures specified in section 59-41(b). The procedures in section 59-41(b) shall be followed prior to the initial approval for a use permit or the addition, relocation or expansion of an outdoor run for a permit previously issued. Outdoor runs shall not be permitted within twenty (20) feet of a habitable residential structure on a zone lot zoned R-X, RS-4, R-0, R-1, R-2, R-2-A, R-2-B, R-3, R-3-X, R-4 or R-4-X. Animal sales service or care uses over twenty thousand (20,000) square feet in gross floor area that use a majority of their gross floor area for retail sales shall not have more than fifteen (15) percent of their gross floor area devoted to overnight boarding and the use shall be completely enclosed at all times. The facilities shall be constructed, maintained and operated so that neither the sound nor smell of any animals boarded or kept on the premises during the time that full enclosure is required can be discerned on other zone lots provided however that existing facilities may continue to be maintained and operated as previously permitted. Breeding kennels or catteries are not permitted under this use.
(Ord. No. 836-06, § 1, eff. 12-26-06)
- (17) *Animated sign*: Any sign or part of a sign which changes physical position by any movement or rotation.
- (18) *Antenna*: Any exterior transmitting or receiving devices mounted on a tower, building or structure and used in communications that radiate or capture electromagnetic waves, digital signals, analog signals, radio frequencies (excluding radar signals), wireless telecommunications signals or other communication signals.
- (19) *Aquaculture*: may include, but is not limited to, hatcheries, growing tanks or raceways, processing, storage, packaging and distribution of shellfish and finish including accessories such as feed storage and water treatment facilities. The outdoor storage of waste material from fish processing is prohibited.
- (20) *Arcade*: A continuous area at ground level open to a street or plaza, which is open and unobstructed to a height of not less than twelve (12) feet, and which is accessible to the

public at all times. Any portion of an arcade occupied by building columns, landscaping, statuary or pools shall be considered to be a part of an arcade for the purpose of computing a floor area premium credit. The term "arcade" shall not include off-street loading areas, driveways, off-street parking areas or pedestrian ways accessory thereto.

- (21) *Arcade, enclosed*: An arcade with less than twenty-five (25) percent of its perimeter abutting a street or plaza.
- (22) *Arcade, entrance to*: An opening in a building wall, or between building walls, side lot lines or rear lot lines, at ground level, unobstructed by any solid matter, but this shall not be construed to prohibit air curtains.
- (23) *Arcade, unenclosed*: An arcade with twenty-five (25) percent or more of its perimeter abutting a street or plaza.
- (24) *Arcade sign*: A wall or projecting sign attached to the roof or wall of an arcade and totally within the outside limits of the structural surfaces which are delineating the arcade.
- (25) *Area of zone lot*: The area of land enclosed within the boundaries of a zone lot.
- (26) *Art gallery*: A public or private facility which is operated as a repository or a collection of works of individual art pieces not mass produced consisting of one (1) or more of the following: paintings, drawings, etchings or sculptures; may include the sale of related objects and services with such sales area limited to no more than ten (10) percent of the floor area.
- (27) *Arterial front line of a zone lot*: Any boundary of a zone lot parallel to and within thirty (30) feet of the right-of-way of an arterial street, as shown in Blueprint Denver which is filed at city clerk filing number 02-125, and located in one (1) of the business arterial districts; provided, however, that if the zone lot has more than one (1) front line which abuts arterial streets, the arterial front line shall be determined as follows:
 - a. If the front lines of a zone lot within the B-A district abut more than one (1) arterial street, the arterial front setback shall be established along the arterial street which has the longest linear dimension abutting said lot; and
 - b. If the front lines of a zone lot within the B-A district abut more than one (1) arterial street and the linear dimensions of the arterial streets abutting said zone lot are equal in length, the arterial front setback shall be designated by the zoning administrator:
- (28) *Artist studio*: A place where works of art are created or similar activities occur as listed below, including a dwelling unit for the artist, designer or teacher; such unit shall have but one (1) kitchen and shall be occupied by no more than four (4) unrelated people or by any number of persons immediately related by blood, marriage or adoption:
 - a. Fine arts gallery in which are created, displayed and sold individual works of fine art; or

- b. Craftwork studio or shop in which individual pieces are created, displayed and sold, consisting of one (1) or more of the following: ceramics/pottery, fabrics, inlays, needlework, knitting, weaving, leather work, woodwork, metal work or glass work; or

Professional studio or academy for the teaching of the arts, the following of which are examples but not inclusive: fine arts, dance, drama, photography, music, martial arts, and/or bridge, but not including health treatment or adult amusement.

- (29) *Asphalt and concrete plant*: A facility preparing asphaltic and/or concrete mixtures, including contractors engaged in asphalt and/or cement work. This definition includes all uses in the following SIC groups:

- 177 Concrete work;

- 2951 Asphalt paving mixtures and blocks.

- (30) *Assembly, without fabrication*: The joining together of completely fabricated parts.

- (30.5) *Assisted living facility*: A residential structure or structures licensed by the state as an assisted living residence and housing more than eight (8) adults. This use is a residential facility that makes available to more than eight (8) adults not related to the owner of such facility, either directly or indirectly through a resident agreement with the resident, room and board and at least the following services: personal services; protective oversight; social care due to impaired capacity to live independently; and regular supervision that shall be available on a twenty-four-hour basis, but not to the extent that regular twenty-four-hour medical or nursing care is required. Such a use shall not include residential treatment facilities for substance abusers or the mentally ill. This use shall not include the uses nursing home, hospice or residence for older adults. An assisted living facility shall not be considered a residential care use. A facility which otherwise meets this definition but has eight (8) or fewer residents shall be considered a residential care use, small, and not an assisted living facility.

(Ord. No. 57-09, § 1, eff. 1-30-09)

- (31) *Atrium*: A ground level area which is designed for pedestrians and which meets the following conditions:

- a. Has at least one (1) entrance connecting to a public street, plaza or arcade;
- b. Is open to the top of the building by means of a vertical open space or light well and is covered by a transparent or translucent material;
- c. Is open to the public during business hours;

Deals in the purchase or possession of personal property on condition of selling the same back again to the pledger or depositor, or loans or advances money on personal property by taking chattel mortgage security thereon, and takes or receives such personal property.

Adjoining residential zones should be protected from the external effects of the vehicles or equipment storage area by the establishment of landscaped buffers, by the location of landscaped employee or public parking areas or by other means. Vehicle traffic generated should not be allowed to pass through residential neighborhoods.

- (33) *Automobile gasoline filling, or emissions inspection station*: A retail establishment engaged in the sale of automotive fuel, motor oil, and/or services, which provide for the routine maintenance of automobiles. Such services may include washing, polishing, greasing, emissions testing, tire repair, wheel alignment, brake repair, muffler replacement, engine tune-up, flushing of radiators, servicing of air conditioners, and other activities of minor repair and servicing. The establishment may include the sale of compressed natural gas, liquefied petroleum, or other types of fuel for vehicles as regulated by the fire department. Any above ground fuel tanks shall be located a minimum of one thousand (1,000) feet from a protected use, as defined by the fire department; provided, however, that such spacing may be reduced by the zoning administrator with the review and concurrence of the fire department. Need not be enclosed. This definition includes the uses in the following SIC groups:

5541 Gasoline service stations, except truck stops;

7549 Automotive services, except the following: towing service, automotive; and wrecker service (towing), automotive; or

An emissions inspection facility qualifying for an "inspection only" license from the state; such station shall be placed upon and anchored to a concrete pad. Notwithstanding more restrictive provisions of article V, division 2, signs permitted in enumerated districts, such station shall have no more than four (4) signs with a total area of fifty (50) square feet; provided, however that no wall of the structure shall have more than twenty (20) square feet of sign area. Other sign features shall be regulated by the provisions of article IV, divisions 1 and 2. Notwithstanding more restrictive provisions of this chapter, the permit application for such station need not meet the requirement for any development plan or PBG site plan submittal; provided, however, that the permit application shall include a site plan drawn to scale which shows the exact location of the proposed structure, vehicle waiting area, adjoining driving aisles and buildings; a space shall be provided for five (5) vehicles awaiting testing and such vehicles shall not obstruct any designated parking aisle or driveway. Vehicle testing area need not be enclosed.

(Ord. No. 895-03, § 1, eff. 12-2-03)

- (34) *Automobile wash, laundry, and/or polishing shop*: Facilities where motor vehicles are washed, cleaned, and/or waxed by hand or with manually operated equipment or automatic machinery.
- a. If customer self-service operated, in addition to any other required off-street parking, sufficient space shall be provided on the same zone lot to accommodate three (3) vehicles waiting to be washed for each washing stall; and

- b. Vehicles serviced or stored for customers shall not be parked on streets, alleys, public sidewalks, or tree lawns.
- (35) *Automobile, motorcycle, light truck sales, leasing, or rental*: Sales, leasing, rental, and related servicing of new and used automobiles, light trucks, vans and sport utility vehicles limited to a capacity of not more than one-and-one-half (1½) tons, motorcycles, motor scooters, mopeds, all-terrain vehicles, snowmobiles, go-carts, utility trailers, and similar items; excluding, however, commercial wrecking, dismantling, or junkyard. All outdoor display areas shall comply with section 59-585(2) through (10) (use and maintenance of off-street parking areas), except for the limitation against sale. This definition includes, but is not limited to, all uses in the following SIC groups:
- 551 New and used car dealers;
 - 552 Used car dealers;
 - 557 Motorcycle dealers.
- (36) *Automobile parts recycling business*: An establishment at which motor vehicles are dismantled for the purpose of selling useable parts and which does not include a junkyard.

Vehicle parts and bodies shall be arranged and/or stacked in an orderly manner. Outdoor aisles shall be graveled or covered with a dust-free surface material, and the site along with abutting street right-of-way areas shall be kept free of weeds and litter. The dismantling area shall not be visible from the street or from abutting residential or business zoned properties. Outdoor storage areas shall be enclosed by a solid wall or fence, except where such business adjoins a similar use along a side or rear lot line. Provision shall be made to control, contain and collect for proper disposal oil, antifreeze and other liquids generated by the dismantling or storage of motor vehicles or parts. Disposal of CFC's (chlorofluorocarbons) from vehicle air conditioners shall be done in accordance with chapter 4 of the Revised Municipal Code and applicable rules and regulations.

- (37) *Automobile repair garage*: An establishment engaged in performing major repairs to and the servicing of automobiles. Such work excludes commercial wrecking, dismantling, junkyard, tire, and truck-tractor repair. Major repair may include engine overhaul or replacement, body work, upholstery work, glass replacement, transmission overhaul, brake repair with drum and disc grinding, replacement of electrical accessories such as starters and alternators, frame alignment, and rebuilding of wrecked automobiles. Outdoor storage of vehicles awaiting repair, materials, or supplies is controlled by enclosure requirements of the specific use district; however, any unenclosed areas shall be provided with a fence or wall constructed to a height adequate to conceal any vehicles, equipment or supplies located on the zone lot; proper grading for drainage; asphalt, oil or any other dust-free surfacing; and on-going maintenance to keep the areas in good condition, free of weeds, dust, trash, and debris. This use includes body work and painting. This definition includes, but is not limited to, all uses in the following SIC groups:
- 753 Automotive repair shops;

7549 Automotive services.

- (38) *Automobile rental facility*: The rental of automobiles under conditions where (1) the storage of all rental automobiles is located on the same zone lot as the office for the automobile rental service, (2) no mechanical or maintenance work on automobiles shall be done on the premises, (3) the land area assigned for storage of rental automobiles shall not be included for computation of any required off-street parking space.
- (39) *Automobile towing service storage yard*: The assembling or standing of damaged or impounded vehicles for indeterminate periods of time. Such use shall not include the wrecking, dismantling or repairing of vehicles.
- (40) *Backhaul network*: shall mean the lines that connect a provider's tower/cell sites to one (1) or more cellular telephone switching offices, and/or long distance providers, or the public switched telephone network.
- (41) *Balcony, exterior*: An elevated floor space projecting beyond the outside faces of the exterior walls of a building. For the purposes of this definition, at least twenty-five (25) percent of the perimeter of such balcony shall remain open.
- (42) *Banking and financial services*: A facility engaged in deposit banking or extending credit in the form of loans. This definition includes, but is not limited to, all uses in the following SIC groups:
- 60 Depository institutions;
 - 61 Nondepository institutions.
- (43) *Basic manufacture*: The first operation or operations which transform a material from its raw state to a form suitable for fabrication.
- (44) *Bed and breakfast*: An owner-occupied or manager-occupied residential structure providing rooms for temporary, overnight lodging, with or without meals, for paying guests, or, a residential structure which is operated by the resident owner as a temporary lodging for paying guests and which satisfies certain conditions related to structures and districts for preservation as specified in chapter 30, landmark preservation.
- (45) *Body art establishment*: A commercial establishment where the practice of physical body adornment is performed by artists utilizing, but not limited to, the following techniques: body piercing, and tattooing, but does not include establishments performing only ear piercing.
- (46) *Bookstore*: A retail establishment which, as its primary business, engages in the sale, rental, or other charge-for-use of books, magazines, newspapers, greeting cards,

postcards, videotapes, computer software, and/or any other printed or electronically conveyed information or media, excluding any "adult establishment," "adult bookstore," "adult theater," "theater," or "studio theater."

If the bookstore rents or sells adult materials, as described in the definition of "bookstore, adult," as an accessory use (as defined elsewhere in this section), such accessory use shall be subject to the following limitations:

1. The quantity of adult materials displayed or sold shall not exceed the numerical limitations specified in the definition for "bookstore, adult";
2. All adult materials shall be segregated into a separate section of the bookstore and screened from public view; and
3. Access to the adult materials shall be denied to all persons under the age of eighteen (18) years.

- (47) *Bookstore, adult*: An establishment having as a substantial or significant portion of its stock in trade, books, magazines and other periodicals and goods and items, including video tapes and computer software, held for sale or rental which are distinguished or characterized by their emphasis on matters depicting, describing or relating to "specified sexual activities" or "specified anatomical areas" ("adult materials"). An establishment which utilizes in excess of ten (10) percent of its gross floor area or its occupied shelf space for the display of adult materials or which has more than ten (10) percent of its total monthly receipts derived from the sale or rental of adult materials shall be regarded as an "adult bookstore."
- (48) *Boundary line of zone lot*: Any line separating a zone lot from a street, an alley, another zone lot or any other land not part of the zone lot.
- (49) *Brewpub*: An eating place which includes the brewing of beer as an accessory use. No more than thirty (30) percent of the product, either in bottles or kegs, may be sold to off-premises customers. Notwithstanding more restrictive provisions of this chapter, such accessory use may occupy up to twenty (20) percent of the gross floor area of the eating place.
- (50) *Building*: Any covered structure intended for the shelter, housing or enclosure of any person, animal or chattel.
- (51) *Building front*: That exterior wall of a building facing a front line of the zone lot.
- (52) *Building height measurement*: Except where otherwise specified in this chapter, the following definition shall apply in determining building height. The height of a building or structure shall be the vertical distance measured from the highest point of the building described below to the average elevation of the corners of a building at the finished grade. The highest point of the building shall be either the top of the parapet or coping of a flat-roofed building, or the ridge of a sloping roof. No occupied part of any building shall be constructed above the permitted height; however, unoccupied building features such as church spires, towers, flagpoles, antennas, chimneys, flues and vents, cooling towers, enclosures for tanks and elevator penthouses serving the

roof including any vertical or sloped screen walls may extend a maximum of twenty-eight (28) feet above the permitted height of the building. Elevator penthouses not serving the roof and other enclosed or unenclosed mechanical equipment including vertical or sloped screen walls for such equipment shall not exceed a height of twelve (12) feet above the permitted height of the building. The aggregate area of all penthouses and other roof structures shall not exceed thirty-three and one-third ($33\frac{1}{3}$) percent of the area of the supporting roof. Such unoccupied building features, excluding church spires, towers, flagpoles and chimneys, shall be set back from the perimeter of the building a minimum of one (1) foot horizontally for every one (1) foot of vertical height; provided, however, that, in the Platte River Valley zone district, upon request, the planning board may allow such unoccupied building features to be built with up to ten (10) percent greater height or with up to ten (10) percent smaller setback by special review according to the provisions of section 59-324(b)(2), use by special review.

(Ord. No. 625-05, § 1, eff. 9-2-05; Ord. No. 459-06, § 1, eff. 7-21-06)

- (53) *Building maintenance service*: The provision of building maintenance and custodial services. Typical uses include janitorial, landscape maintenance, or window cleaning services.
- (54) *Bus length measurement*: The distance measured from the front bumper to the rear bumper, except, however, when extensions or projections are added beyond the front or rear bumpers, then the measurement shall also include such extensions or projections.
- (55) *Business district*: Any B-1, B-A-1, B-2, B-A-2, B-3, B-A-3, B-4, B-A-4, B-5, B-5-T B-7, B-8, B-8-A, B-8-G, C-MU-10, C-MU-20, C-MU-30 or CCN district.
(Ord. No. 439-07, § 1, eff. 8-20-07)
- (56) *Business equipment sales or service*: Establishments engaged in the sale, rental, or repair of equipment and supplies used by office, professional, and service establishments to businesses rather than individuals; excluding, however, automotive, construction, and farm equipment. Typical uses include office equipment and supply firms, small business machine or computer repair shops, or hotel equipment and supply firms.
- (57) *Campus*: A contiguous area of land constituting and making up the grounds of a college or university containing the main buildings or within the main enclosure; provided, however, that for the purpose of this definition the contiguity of any land area involved shall not be deemed to be destroyed by the presence of public rights-of-way.
- (58) *Canopy*: A rooflike structure serving the purpose of protecting pedestrians from rain and sun, which structure projects from a building and the width of which ("width" being taken as the dimensions parallel to the face of the building) is not greater than one-fourth the width of the face of the building or twenty (20) feet, whichever is lesser. Such structure must be open on three (3) sides and if ground-supported, supports must be confined in number and cross-section area to the minimum necessary for actual support of the canopy.

- (59) *Carport*: Space for the housing or storage of motor vehicles and enclosed on not more than two (2) sides by walls.
- (60) *Carriage lot*: A parcel of land completely surrounded by alleys in the center of a block which has no front line of a zone lot.
- (61) *Cemetery*: Land used for interment of human or animal remains or cremated remains, including a burial park, a mausoleum, a columbarium, necessary sale, and maintenance facilities, or a combination thereof. Mortuaries shall be included when operated within the boundary of such cemetery.
- (62) *Child care center*: A facility defined as a child care center under chapter 11 of the Denver Revised Municipal Code which is maintained for the whole or part of the day but for less than twenty-four (24) hour care of five (5) or more children, not related to the owner, operator, or manager thereof, from the ages of six (6) weeks through sixteen (16) years, whether such facility is operated with or without compensation for such care, and with or without stated educational purposes, subject to the licensing requirements of the state and the city.
- (63) *Child care home, large*. A use exception operated in a single-unit dwelling or dwelling unit in a multiple-unit dwelling providing care and education for periods of less than twenty-four (24) hours of seven (7) to twelve (12) children subject to the licensing requirements of the state and the city.
(Ord. No. 340-06, § 1, eff. 6-9-06)
- (64) *Child care home, small*. A home occupation providing the care and education for periods of less than twenty-four (24) hours of not more than six (6) children, plus two (2) additional children who attend either before or after school hours, subject to the licensing requirements of the state and the city.
(Ord. No. 340-06, § 2, eff. 6-9-06)
- (65) *Children's indoor play center*: A commercial establishment providing active play facilities for children generally under the age of twelve (12) years old. Such facilities shall consist generally of muscle-powered equipment. No pinball, foosball, video or electronic games or similar equipment shall be permitted.
- (66) *Church or religious institution*: A building, together with its accessory buildings and uses, where persons regularly assemble for religious worship and which building, together with its accessory buildings and uses, is maintained and controlled by a religious body organized to sustain public worship. Shelters for the homeless may be operated within and by a church. Such shelter may be operated for up to one hundred twenty (120) days in either consecutive or nonconsecutive order per calendar year with any number of residents, or it may be operated throughout the entire year with one (1) of the following: a maximum of either eight (8) residents or any number of persons bearing to each other a relationship as defined in section 59-2(96) (dwelling, single

unit). If such limitation is exceeded, the shelter must comply only with the spacing and density requirements of section 59-80(2)c.4. (residential care uses; spacing, density, site and other requirements), and need not comply with any other requirements of section 59-80(2) (residential care uses). Accessory buildings and/or uses may include a church-related college provided such college is regulated by the accessory use regulations of the zone district in which it is located and is a facility of a church or religious institution and which may include religious training or study.

(Ord. No. 694-05, § 1, eff. 9-30-05)

- (67) *Church or religious institution, community scale*: A church or religious institution with a seating capacity of greater than six hundred (600) persons in the sanctuary or main activity area.
- (68) *Church or religious institution - neighborhood scale*: A church or religious institution with a seating capacity of six hundred (600) persons or less in the sanctuary or main activity area.
- (69) *Church-related college*: A post-secondary education facility operated by a church and physically located on a zone lot occupied by such church. In addition to the accessory use regulations of the zone in which it is located, a church-related college shall meet the following requirements:
- a. Shall not have an enrollment greater than seventy-five (75) students;
 - b. Shall provide no student or faculty housing;
 - c. Shall not operate any activities before 8:00 a.m. or after 6:00 p.m.; and
 - d. Shall provide off-street parking according to the requirements of parking class two.
- (70) *Clinic, office, laboratory, dental or medical*: A building or group of buildings in which the primary use is the provision of health care services to patients or clients. Such services may include the following: medical, dental, psychiatric, psychological, chiropractic, dialysis, acupuncture, reflexology, massage therapy, mental health professional, physical and/or occupational therapy, related medical services, vocational training, placement service and social and recreational activities suitable for disabled adults and children or similar service or a laboratory which provides bacteriological, biological, medical, x-ray, pathological and similar analytical or diagnostic services to doctors or dentists. No fabricating is conducted on the premises, except the custom fabrication of dentures or similar dental appliances. This definition excludes in-patient or overnight care, animal hospitals, veterinarians, or other similar services. The sale of merchandise is allowed only as an accessory use.
- (71) *Club or lodge*: A building or land used for the activities of an association of persons for the promotion of some nonprofit common objective, such as literature, science, politics, and good fellowship, and not accessory to, or operated as, or in connection with a

tavern, eating place, or other place open to the public, which meets periodically and is limited to members, with not more than one-third of the gross floor area of the club or lodge used for residential occupancy.

- (72) *Cluster multiple unit dwelling*: A single detached structure structurally divided into two (2) or more separate, independent dwelling units, each dwelling unit having its situs upon the ground, each dwelling unit having but one (1) kitchen and housing any number of persons bearing to each other the relationship of: husband, wife, mother, father, grandmother, grandfather, son, daughter, sister, brother, stepson, stepdaughter, stepbrother, stepsister, stepmother, stepfather, grandson, granddaughter, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, uncle, aunt, nephew or niece living together as a single nonprofit housekeeping unit, plus domestic servants employed for services on the premises.

- (320) *Wind energy conversion system*: Any mechanism including blades, rotors and other moving surfaces designed for the purpose of converting wind into mechanical or electrical power.

(321) *Wind sign*: Any sign in the nature of a series of two (2) or more banners, flags, pennants or other objects or material which shall call attention to a product or service, fastened in such a manner as to move upon being subjected to pressure by wind or breeze.

(322) *Zone lot*: The land designated as the building site for a structure; also, the land area occupied by a use or a structure. Such land area shall be composed of a single parcel of contiguous land and may be designated as a zone lot only by the owner or owners thereof. All designations of zone lots shall be filed with the department of zoning administration. Upon application to and approval by the department of zoning administration, the boundaries and area of a designated zone lot may be amended if full compliance with all requirements of this chapter can be maintained. In cases where the designation has been recorded, whenever such an amendment is granted, the department shall record in the office of the clerk such releases and new designations, or appropriate records thereof, as are appropriate to indicate the amendment. Whenever it becomes necessary to determine the zone lot for a structure or a use operating or existing prior to the effective date of this chapter, such determination shall be made by the aforesaid department.
