• Q&A
Project Overview

This project will remove and replace existing sanitary sewer in Speer Boulevard between West 29th Avenue and Bryant Street.

Benefits:

• Replace aging infrastructure to prevent future breaks.
• Reconstruct non-compliant ADA ramps at select intersections.
Schedule

Start: February 2023
End: Q3, 2023

Work Hours:
Monday - Friday
7 a.m. to 5 p.m.
Lane Closures

- **Current Southbound All Lanes Closed**
- **Southbound Lanes**
  - Single Lane
- **Northbound Lanes**
  - Two Lanes
What to Expect

• Business and residential access maintained to the greatest extent possible.
  – Access limited in specific locations.
• Pre-construction assessments.
• Noise levels within the DDPHE ordinance.
• Contain dust as needed.
• Flaggers on site during construction activities.
• No planned service impacts.
• Timely communication.
