

QUESTION	ANSWER
What do you consider a small nonprofit?	A non-profit that has an annual budget below \$500,000 is considered a smaller non-profit, however, if you feel that your agency qualifies as 'smaller' please submit your application as such.
What age range qualifies as youth?	Youth targeted from our priority area are person aged up to 24 years old.
Is there minimum number of people served?	No, there is no required minimum number of people served.
What kind of collaborations and/or partnerships do you envision for this funding?	Larger capacity non-profit or community organization working with a small grassroots organization that would be able to provide guidance and some ability to offer ways to grow their capacity. It could also be multiple small non-profits that are looking to work together to provide a service and or services.
How do you recommend how mental health wellness is quantified?	We cannot provide programmatic advice on how you will measure your proposed project's outcomes.
If you have already received DEDO funding for employment and CSBG funding, would an application for a different program be competitive?	Yes, applicants receiving other DEDO funding may still apply for support under the 2022 NOFA. The proposed scope of services, however, should not be duplicative.
If we are not located in a NEST neighborhood but serve youth and families from NEST neighborhoods, are projects still eligible for funding?	Yes, you are still eligible for funding as long as you are serving Denver County residents. Services offered in the targeted NEST neighborhoods of East Colfax, Elyria Swansea, Globeville, Montbello, Northeast Park Hill, Sun Valley, Valverde, Villa Park, West Colfax, and Westwood will receive priority considerations.
If we have other funding from the City & County of Denver and have provided insurance documentation - is it needed for us to submit them again to DEDO?	Yes, you will need to submit all required documents outlined in the NOFA application as the insurance requirements may differ from other DEDO programs.
If we are a National Organization (with one 501c3) but will be applying for our Denver Workforce Development Programming, are we still an eligible applicant?	Yes, applicants receiving other DEDO funding may still apply for support under the 2022 NOFA. The proposed scope of services, however, should not be duplicative.
Is there any harm / benefit to applying for only salary support from NEST associated to our project?	Applicants may apply for grant-funding for both personnel and non-personnel related expenses. Other funding support related to the proposed project should be outlined in your application.
You stated a minimum fund request of \$150K, is there a maximum?	There is no maximum funding restriction.
Are we eligible to apply if we are fiscally sponsored by CNDC?	Yes, agencies with a fiscal sponsor may apply. Fiscal sponsors must also meet the City's and HUD's regulatory requirements.

<p>If we currently are currently under a contract through the DEDO CDBG-CV funding, to ensure no overlap, can we create a request budget that doesn't start until after the other funding ends (June 30, 2022)?</p>	<p>No. Proposed projects applying under the 2022 CDBG NOFA cannot duplicate services funded under CDBG-COVID per HUD guidelines. Likewise, activities funded under this application must occur within the grant year, January 1, 2022 – December 31, 2022.</p>
<p>Will you consider multiple proposals/projects from the same organization?</p>	<p>Yes, organizations may submit more than one proposal.</p>
<p>This is a one-year grant, correct?</p>	<p>Correct. All grant-funded activities must occur with the grant year, January 1, 2022 – December 31, 2022.</p>
<p>What's the total pool you have to distribute?</p>	<p>Funding for the 2022 Notice of Funding Availability (NOFA) is expressly contingent upon final budget approval of the U.S. Congress, written authorization from HUD, and approval of the City and County of Denver Mayor and City Council.</p>
<p>Since the funding is for 2022. Will there be opportunities for follow-up funding from DEDO and/or NOFA?</p>	<p>Please visit DEDO's funding opportunities webpage HERE as any additional opportunities will be posted.</p>
<p>With DEDO's CDBG only having \$1.3 million, you are only looking to fund about 8 or less projects?</p>	<p>DEDO has not placed restrictions on the number of projects that may apply for funding.</p>
<p>Are the grant funds eligible to be spent in other parts of the city of Denver or can they be spent only in the specified target areas?</p>	<p>Applicants may submit proposals to provide grant-funded services in all Denver County neighborhoods. However, services offered in the targeted NEST neighborhoods of East Colfax, Elyria Swansea, Globeville, Montbello, Northeast Park Hill, Sun Valley, Valverde, Villa Park, West Colfax, and Westwood will receive priority considerations.</p>
<p>If the organization's headquarters is not in Denver, therefore a non-Denver address would be included on any documentation (such as a COI), would that disqualify the org from applying?</p>	<p>If headquarters are not in Denver what is the PROJECT address that services are being offered out of? If the headquarters is out of state, they must be registered with the Secretary of State as a foreign agent and have a local presence or local sponsor. You must be able demonstrate that the Certificate of Insurance is covering the project address/office.</p>
<p>For the priority areas we are serving, can it be mapped by zip code, or is it required to be mapped by census tract?</p>	<p>Per the NOFA application, applicants may indicate their service areas by multiple methods: Council District, Neighborhood, and/or Block Group/Census Tract Number(s).</p>
<p>If we received a DEDO Workforce Development grant in the most recent cycle - are we eligible to apply for this opportunity?</p>	<p>Yes, applicants receiving other DEDO funding may still apply for support under the 2022 NOFA. The proposed scope of services, however, should not be duplicative.</p>

Are insurance requirements necessary for the application? Or do they need to be in place for the contract period?	Should demonstrate at minimum, General Liability and Worker's Comp, however if awarded, during the negotiation process, the City identifies the appropriate coverages and coverage limitations.
For other sources of funds, do those funds need to be funds that have already been awarded (in hand) or can they be funds that you are planning to be available?	Since these projects will not be funded at 100%, funding (Pending and or Confirmed) for your project/organization should be reflected on the Project Funds Source document included in the application.
Will funding support existing programs or does the program have to be something new?	We have funded existing programs and new programs.
