DCR130: rev. 03/12/2018
Shall the voters of the City and County of Denver repeal Ordinance No. 2020-0888, regulating residential care facilities, such as elderly residents and people experiencing homelessness, by size rather than use; allowing community corrections facilities to locate in commercial and mixed-use zoning districts and removing the buffer from residential zones and schools for such facilities; and increasing the number of unrelated adults who can live together in a household from two to five with up to one licensed car per adult plus one additional vehicle per household?
BY AUTHORITY

COUNCIL BILL NO. CB20-0888
COMMITTEE OF REFERENCE:
Land Use, Transportation & Infrastructure

A BILL

For an ordinance relating to the Denver Zoning Code updating household regulations, consolidating residential care uses, and establishing a new congregate living use category.

WHEREAS, the City Council desires to amend the Denver Zoning Code (the “Code”) updating the way the Code regulates households, consolidating residential care uses into a single system regulated by size rather than the population served, and establishing a new congregate living use category that allows for the evolution of residential uses that are not in conventional dwelling units; and

WHEREAS, the City Council has determined on the basis of evidence and testimony presented at the public hearing that amending the Denver Zoning Code as set forth herein is consistent with the City’s adopted plans, furthers the public health, safety and general welfare, and will result in regulations and restrictions that are uniform within all zone districts concerning households, residential care uses and congregate living, providing predictability to applicants and the community; and

WHEREAS, City Council, Community Planning and Development, and other agencies will explore opportunities to improve neighborhood inspections with a focus on data, community voices, and achieving equitable outcomes for all.

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:

Section 1. The changes to the Denver Zoning Code as set forth in Clerk File No. 202100002 as filed with the Denver City Clerk on January 7, 2021, and available in the office and on the web page of City Council are hereby adopted and made an official part of the Denver Zoning Code. The changes amend certain provisions of the Denver Zoning Code to ensure and promote equitable access to housing for all Denver residents, address homelessness and reduce obstacles to affordability.
Pursuant to Section 13-12, D.R.M.C., this proposed ordinance has been reviewed by the office of the City Attorney. We find no irregularity as to form, and have no legal objection to the proposed ordinance. The proposed ordinance is not submitted to the City Council for approval pursuant to § 3.2.6 of the Charter.

Kristin M. Bronson, Denver City Attorney
1. How To Circulate a Petition
   A. A Referendum petition may consist of multiple petition sections. There must only be one circulator for each petition section.
   B. Each petition section is bound in a blue manuscript cover and contains: A) an Affidavit of Petitioners’ Committee containing ballot title and full text, B) an Instructions to Circulators page, C) several numbered Signature Pages that contain a Warning section at the top of each page, and D) an Affidavit of Circulator page.
   C. Read the Warning in this petition section to be aware of who may sign this petition and other legal restrictions on signers of this petition.
   D. A petition section may not be left unattended on a counter or desk for voters to sign.

2. Who May Sign a Petition
   A. Signers must be residents of the City and County of Denver and registered to vote in Denver.
   B. Circulators may not sign their own petition section. Notaries may not notarize a petition section they have signed.

3. How To Sign a Petition. Signers Must:
   A. Print clearly.
   B. Use blue or black ink. Do not use ditto marks (\(\) to provide information on a signature line.
   C. Fill out every required field completely, date it and sign it in the presence of the circulator.
   D. Sign their own signature and print their own legal name in the same manner as the person is registered: last name, first name, and middle initial. (For example: Mary Doe, not Mrs. John Doe)
   E. Use the residence address where they reside and are registered to vote, including street name and street number, city and county. Post office boxes may not be used as a place of residence.
   F. Place their initials on all minor corrections. If a major correction is required, the signer should cross out the entire pair of lines containing the error and use the next pair of blank lines.
   G. Not sign for another signer. However, any person except the circulator may assist a signer who has limited literacy or is physically unable to write the required information on the petition. The signer must make his or her mark in the signature space and the person giving assistance must provide their signature and a statement that assistance was given. This statement must be provided on the petition immediately following the name of the elector who received assistance.

4. What To Do After Petition Section is Completed
   A. Do not disassemble petition sections. If the original staples are removed, all names on the section are disqualified.
   B. A petition section does not have to be completely filled for the listed names to be valid.
   C. The Affidavit of Circulator must be properly signed and notarized. Do not sign or date your Affidavit of Circulator until in the presence of the notary.
   D. No additional signatures may be collected after the Affidavit of Circulator is notarized. Any subsequent signatures are invalid.
