

Office of Human Resources
Fleet Parts Specialist III – CJ3288
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs full performance professional level stockroom duties on automotive and heavy equipment parts. This includes purchasing, contacting vendors, researching orders, and maintaining inventory control systems for a variety of supplies, materials, parts, and equipment.

Distinguishing Characteristics

The Fleet Parts Technician III is distinguished from the Fleet Technician II which performs intermediate level stockroom duties on automotive and heavy equipment parts. This includes ensuring adequate stock of materials, parts, supplies and maintaining inventory control systems. It is also distinguished from the Fleet Parts Technician Supervisor who supervises Fleet Parts Technicians.

Essential Duties

Verify invoices, ensuring proper payment method is used, and vendor charges are within contracted expectations. Once verified enter invoices into a web-based program for payment processing.

Accurately enter requisitions into the City's financial program to obtain purchase order numbers for payments on parts, and repair services from vendors.

Respond to emails from team members and vendors while efficiently dispatching drivers for part pickups and storeroom transfers.

Use daily run reports to identify stock parts needed for specific storerooms. Use an inventory management system to transfer stock parts from the distribution center to stockrooms and ensure parts are accurate before leaving the distribution center.

Research and issue a variety of automotive and heavy equipment parts as requested by fleet personnel (i.e. light duty passenger vehicles, excavators, paving equipment, fire trucks, dump trucks, tractor trailers, street sweepers, garbage trucks, etc.)

Perform immediate inventory on any stock parts issued, as well as received to accurately track, maintain, and record inventory levels, and verify and adjust inventory levels as appropriate.

Collaborate with Fleet Parts Technician I to ensure accurate parts are picked up according to priority and dropped off at appropriate location.

Work closely with vendors to order parts using multiple methods including vendor websites, email, and over the phone interactions.

Use purchase orders for contracted vendors, or a city provided purchasing credit card for uncontracted vendors to purchase parts. Ensure purchase requests are filled out completely, warranty information is notated, and part costs are accurately recorded.

In accordance with established guidelines, reconcile P-Card payments accurately and timely, ensure accuracy of billing by vendors and code purchases correctly in inventory management system. and the City's financial system.

Enter new part orders into inventory management system, updating and adding new part information as needed.

Monitor parts on order using daily run reports for fleet vehicles and equipment. Update work orders with estimated times of arrival from vendor or storeroom, and notify appropriate personnel of any changes (delayed shipments, backorders, etc.)

Track status of special orders necessary for completion of repairs for essential city vehicles and equipment.

Interpret City Master Purchase Order contract clauses, sections, and amendments to ensure correct pricing, shipping, overall vendor accountability.

Communicate frequently with team members at multiple locations in the City and County of Denver to transfer parts from other storerooms, or to have parts picked up from vendors that may not deliver.

Unpack, inspect, and verify quality and quantity of part orders received from vendors and storerooms against a packing list or invoice. Once verified accurately receive orders into our inventory management system.

Assist in the training of employees to identify parts, materials, and perform computer functions.

Operate a forklift, and use various tools including pallet jacks, carts, and dollies for movement and storage of stock and special-order items.

Performs other related duties as assigned.

Any one position may not include all the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above
