I am a strong believer in public engagement and meaningful partnerships between the police and the community we serve.

I encourage you to become involved in your community to stay informed about the specific issues and important events, be proactive in crime prevention, and play an active role in the decision-making processes affecting your neighborhood.

The Citizen’s Advisory Board (CAB) meeting is one way you can get involved. Not only do you hear about the statistics for the entire district, you also get to ask me your specific questions. It’s a great opportunity to meet your local Denver Police officers, while staying informed.

CAB meetings are held at 6 pm the 1st Tuesday of each month at the District 3 Station (subject to change based on holidays and other major events). If you require an ASL interpreter, please email us at 3.Dist@Denvergov.org at least 3 days prior to the meeting.

Be an activist! Be involved!

Registered Neighborhood Organizations
Registered Neighborhood Organizations (RNO) play a key role in the ongoing effort to make Denver a great place to live and work. To find your RNO, visit: denvergov.org/maps/map/neighborhoodorganizations or contact your Community Resource Officer.

Walk a Mile in My Shoes
Schedule a 30 minute walk of your neighborhood with a Denver Police Officer (weather permitting). See what it’s like to walk a foot beat as an officer while the officer experiences a stroll around your neighborhood.

Start a Neighborhood Watch Program
Neighbors on a designated block agree together to keep an eye on one another’s properties and report suspicious incidents to law enforcement.

Pups On Patrol
Pups on Patrol is a program to help train civilian pups how to spot danger and encourages neighbors to assist police as extra eyes and ears while out walking their dog.

DENVER 311 and Nextdoor.com are great tools for information, resources, and hearing from your Community Resource Officers about crime prevention, crime alerts and events throughout the community.

COMMUNITY

RESOURCE OFFICERS

The Community Resource Officer (CRO) Program provides assistance on issues such as neighbor disputes, public nuisances, zoning issues, fraud and crime prevention, and other neighborhood concerns.

CROs attend regular meetings with neighborhood organizations to provide training on issues including the Neighborhood Watch program, commercial and home security, gang awareness, crime prevention, and more.
