

District 5 RNO Monthly Leadership Lunch

October 6, 2020

Agenda

Noon – 12:15: Welcome remarks and introductions (AS)

Goals for RNO LL (AS) - this event was borne from my desire to support RNO leadership by giving you time to:

- ask me questions directly
- hear from other City leaders about issues that are important to your neighborhood
- share best practices with other D5 RNOs
- gather information to bring back to your board and neighborhoods

Discussion:

- Questions for AS re: City Council updates
- Question for RNOs: how would this time be most helpful for you and your RNO? Feel free to email ideas after today to sara.visser@denvergov.org
- Question for RNOs: who should we invite to future LLs?

12:55-1:00 Wrap-up

Meeting minutes and action item list will be emailed to all RNO contacts - those who attended and those who did not.
