WHAT IS A GENERAL IMPROVEMENT DISTRICT? DO YOU WANT TO BE PART OF A GENERAL IMROVEMENT DISTRICT IN CHERRY CREEK?

Councilwoman Amanda Sawyer is facilitating a discussion on the possible creation of a General Improvement District (GID) in Cherry Creek, as recommended by the Cherry Creek Area Plan.

We are sending this postcard out to better understand if you'd like your area to be included in the broader study area.

Join us on Zoom for an informational forum to learn more about the Cherry Creek GID Formation Process on **May 14th, 5:30-6:30 pm.**

What is a General Improvement District?

- A GID is a special district established to fund enhancements to an area, such as security, placemaking, pedestrian lighting, and infrastructure.
- A GID creates a unified voice. It provides governance and structure for an area while generating additional resources to enhance the vitality of the district.
- All property owners in a GID agree to tax themselves to fund improvements to a specified area. Depending on the mills agreed to by property owners, the annual estimated cost for the GID would likely range from $230-990/year, based upon your assessed value.
- Property owners and all registered voters in an area would have the final say on the creation of a GID.
- The study area of this GID proposal applies to the Cherry Creek statistical neighborhood, bordered by 6th Ave to Alameda Ave and University Blvd to Colorado Blvd.
