A maximum of five (5) points may be awarded for seniority. No points may be earned or awarded for the Disciplinary History Assessment.

DISCIPLINARY HISTORY ASSESSMENT: Candidates **will not appear in person** for this component. The Disciplinary History Assessment is scheduled to be completed before June 16, 2025. The assessment provides for a merit-based evaluation of a candidate's disciplinary history. It will be conducted by Civil Service Commission staff. Staff will review the candidate's Internal Affairs Bureau (IAB.) Resume Report generated by I. A. PRO, which lists the candidate's history of Sustained Cases and, as necessary, will review departmental orders of disciplinary action. The Disciplinary History Assessment component is graded on a Pass or Fail basis. Only those candidates who pass the Disciplinary History Assessment will be permitted to continue in the examination.

Two (2) Defined Categories of Sustained Rule Violations Are Considered: There are two (2) defined categories of sustained rule violations used in the assessment. Only these two (2) categories of sustained disciplinary rule violations, as described in Attachment A, will be considered in the Disciplinary History Assessment.

A candidate who fails in any one or more of the two categories will fail the assessment. See Attachment A.

Each Category Is Reviewed on the Standards Specified for that Category: Each respective defined category of sustained rule violations will be reviewed on each of the standards specified for that category. A candidate must pass every standard set for a category to pass that category. A candidate will either pass or fail each category. The specific standards for each assessment category are detailed in Attachment A.

Deferral of Disciplinary History Assessment Based on an Active Disciplinary Appeal: In certain circumstances, a candidate may, as a courtesy, be granted a deferral (temporary delay) in the administration of the Disciplinary History Assessment until such time as an active disciplinary appeal is resolved through a decision by the Hearing Officer and/or the Commission. If a deferral is granted, a candidate may proceed with the other examination components while awaiting a decision in their

disciplinary appeal. The details regarding the eligibility for and granting of a deferral are provided in [Attachment A](#).

Deadline to Correct the I. A. B. Computerized Database: A candidate will have up to, but no later than, **4:00 p.m., June 30, 2025**, to contact the Internal Affairs Bureau, identify any errors in the database regarding their disciplinary history, provide IAB personnel with the necessary documentation to correct any identified errors, and to confirm database corrections. s

READING LIST, DEPARTMENT READING MATERIAL & JOB DESCRIPTION: The reading list, reading materials, Sergeant job description, and this announcement may be downloaded from the Denver Civil Service Commission website. www.denvergov.org/civilservice

MULTIPLE-CHOICE EXAM: The multiple-choice examination is set to take place on July 17, 2025, at the PPA Event Center, located at 2105 Decatur St., Denver, CO. Registration will commence at 7:30 a.m. and will close at 7:45 a.m. Candidates arriving after this time will be disqualified. A minimum of three (3) hours will be provided for the completion of the test. All radios, body-worn cameras, and cell phones must either be checked in or left in your vehicle for the entirety of this process.

Job Knowledge Questions: Job knowledge questions of the multiple-choice exam are drawn directly from the textbook's materials and the official reading list.

Scoring the Multiple-Choice Exam: Following a formal review of the test by a committee of departmental subject matter experts (Angoff Committee), the answer key will be finalized, and the scoring of answer sheets will commence. Individual scores, identified solely by candidate ID number of choice, will be made available on the Commission's website. Candidates can earn a maximum of thirty-five (35) points on the multiple-choice examination. The minimum passing score will be established in accordance with Commission Rule 15 § 8. The Commissioners are provisionally scheduled to determine the passing score by August 7, 2025, at the latest. This passing score will be published on the Commission's website and will be communicated to the Department prior to its public posting. Only those candidates who achieve the designated cut-off score on the multiple-choice exam will be eligible to proceed to the assessment center.

ASSESSMENT CENTER: The assessment center is set to take place from September 15-23, 2025, at the first floor of the Webb Building.

A random selection will take place at the Commission's office to establish the specific dates and times for each candidate's participation in the assessment center. Following this selection, candidates will be notified via email regarding their assigned date and time for participation. The completion of all exercises at the assessment center will necessitate a half-day session. Furthermore, a representative from the Police Protective Association and a representative from the Denver Police Department Administration, both of whom will not participate, will be invited to observe the drawing. Candidates who are related by blood, marriage, or adoption and are participating in the assessment center will be scheduled for the same session.

The assessment center will include job-specific exercises aimed at evaluating various factors and dimensions identified as critical for the effective execution of a sergeant's duties and responsibilities, as determined by the job analysis. Up to sixty (60) points of a candidate's overall score will be derived from their performance in the assessment center. A panel of external evaluators, all of whom hold a rank equivalent to Sergeant or higher, will assess and score each candidate's performance in the individual exercises.

Candidates have the option to dress in either their uniform or professional business attire for the assessment center. Should a candidate choose to wear their uniform, it is required that all pins, medals, and other insignia, with the exception of the rank and badge, be removed. Additionally, candidates are prohibited from bringing any items into the assessment center, including any materials that have been prepared in advance.

The Commission will email a feedback report to each candidate, evaluating the relative strengths and weaknesses of his/her performance in the assessment center. The feedback report is formulated by comments from the assessors and provided solely for the candidate's use in identifying and evaluating opportunities for personal development. The information is not used to formulate a candidate's official assessment center score. It is solely provided as a learning tool for the candidate. Feedback from the assessment center is not appealable. The exact date of the distribution of feedback reports will be contingent upon completion of all delayed administrations of the examination due to the Military Leave or Line of Duty Injury status of otherwise eligible candidates.

All oral assessment center exercises will be video recorded. The assessors will not see the videos. The videos will be made for the Commission's records and allow a candidate to review their performance after receiving the feedback report. Delayed individual administration of the assessment center, for the accommodation of Military Leave or Leave of Duty Injury, may involve scoring a candidate's video recorded exercises by the assessors.

SENIORITY: Each candidate who successfully completes all components of the examination shall receive one-tenth of one point for each full month of continuous service beyond forty-eight (48) full months of service in the Classified Service rank of Police Officer in the Denver Police Department, following the candidate's most recent appointment to the Classified Service, until the maximum of five (5) points for seniority has been reached. Seniority shall be computed through June 27, 2025, or through and including the last day of the month preceding the month in which the first examination component is administered. Length of service shall be reduced for unpaid leaves of absence (not including family medical leave or military leave) and suspensions without pay, in aggregate greater than 30 days. Seniority credit shall be computed consistent with Commission Rule 6 § 6. However, for any candidate who has been re-employed under the provisions of Rule 11 § 4, the computation of the length of service shall include both the seniority which they had at separation, which was retained under Rule 11 § 4(B) and the seniority accrued following reemployment, despite such combined service being considered noncontinuous. (Time served in the appointed ranks of Detective, Technician, and Corporal counts as time served in the Classified Service rank of Police Officer.)

FINAL EXAMINATION SCORE/ELIGIBLE REGISTER: The final examination score shall be the sum of the points earned from the multiple-choice exam and the assessment center, plus the points awarded for seniority. The eligible register shall contain in rank order, according to final examination score, the names of only those candidates who have successfully completed all examination components. The Civil Service Commission will approve the eligible register on or before September 26, 2025. Once approved and notification to the Police Chief has occurred, the eligible register will be posted on the Commission's website. Tie scores shall be broken according to Civil Service Commission Rule 7 § 4(B).

REASONABLE ACCOMMODATION: A candidate must request and describe, in writing, any reasonable accommodation(s) (per the Americans with Disabilities Act) they will need to participate in any component of the examination process noted herein by the registration deadline of February 9, 2025, at 4:30 p.m. A medical statement documenting the candidate's medical restrictions that support the requested reasonable accommodation for the examination process must also be submitted by the registration deadline. Each request will be reviewed on a case-by-case basis. The submission of a request does not necessarily mean that the request will be granted.

REASONABLE ACCOMMODATION LINE OF DUTY INJURY: If an eligible candidate sustains a "line of duty" injury that impacts their ability to take any component of this announced examination, they may request a reasonable accommodation. The candidate must request and describe, in writing, any reasonable accommodation(s) they will need to participate in any component of the examination process noted herein. A medical statement documenting the candidate's medical restrictions that support the requested reasonable accommodation for the examination process must also be submitted. REASONABLE ACCOMMODATION OF MILITARY LEAVE: Examination procedures and/or regulations have been instituted to ensure compliance with the non-discrimination provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994. Opportunity for late registration and delayed participation in this promotional examination process will be provided on an individual basis for those eligible to register and participate in the general administration of the examination components noted herein but who are unable to do so on Military Leave status. Additional examination procedures and/or regulations have been implemented to maintain the examination process's confidentiality and integrity throughout any extended period of examination administration.

Any candidate who is absent from duty at the Denver Police Department and unable to register due to Military Leave must register for the examination no later than 30 calendar days following their date of return to duty at the Denver Police Department. Any requests for other specific accommodations must be made in writing.

IMPARTIAL AND COMPETITIVE PROCESS: As provided by City Charter §9.3.1 and §9.3.11(f) and Civil Service Commission Rule 6 § 3(A), the components of all examinations shall be impartial and competitive. The Civil Service Commission is committed to a fair, competitive, and unbiased process. The Commission shall not be influenced by factors that would compromise the principles of a merit-based promotional process that the Commission is entrusted within this or any test administration.

PROTEST OR CHALLENGE: Any protest or challenge to the content of this official announcement and the examination plan as set forth herein must be presented by a candidate, in writing via email, to the Executive Director of the Civil Service Commission.
