Quick Reminders for Staff

- All food scraps, even meat, dairy, and bones, go in the compost.
- Remove produce stickers, tags and rubberbands before composting produce.
- Keep liquids and grease out of the compost.
- Not all compost haulers accept compostable bags or liners. Unless you are sure, it is best not to use a liner. Place items directly in the container instead.
- Not all compost haulers accept compostable service ware items. Unless you are sure, it is best to keep these items out of compost containers.

Help Denver keep compost clean. When in doubt, keep it out!

Recordatorios para el personal

- Todos los restos de comida, incluyendo la carne, los productos lácteos y los huesos, van en el compost.
- Retire las etiquetas adhesiva y las ligas de los productos agrícolas antes de compostarlos.
- No coloque liquidos y grasa en el compost.
- No todos los proveedores de recolección de compost aceptan bolsas o forros compostables. Si no sabe si las aceptan, coloque los restos directamente en el contenedor, sin bolsa.
- No todos los servicios de compostaje aceptan platos, vasos o cubiertos compostables. Si no sabe si los aceptan, es mejor dejarlos fuera del contenedor de compost.

Ayuda a Denver a mantener limpio el compost. ¡Si tiene dudas, déjelo fuera!
