

# LIFT YOUR VOICE, ELEVATE THE COMMUNITY

*Support People Living with Intellectual and Developmental Disabilities*

Denver Human Services (DHS) is seeking people with diverse backgrounds across Denver that have experience with intellectual and developmental disabilities (I/DD) to join the IDDEAS advisory council. Council members give DHS advice about the needs of their I/DD community.

The IDDEAS program uses local taxpayer dollars to fund community services and supports for Denver residents with I/DD.

## ARE YOU OUR NEXT COUNCIL MEMBER?

**In addition to having personal or professional experience with I/DD and living in Denver, future council members\* will:**

- Attend monthly meetings virtually on Zoom
- Share their ideas and opinions with other people
- Receive a \$60 stipend for each council meeting they attend
- Care about making Denver a better place and having fun!

**We value inclusivity. Our goal is to bring in multiple perspectives to our Council.**

*\* If a council member has an I/DD, they can either live within Denver OR spend time in Denver working, attending day programs, Denver Public Schools, or similar activities.*
