Shall the voters of the City and County of Denver adopt an ordinance requiring the City and County of Denver to enforce unauthorized camping, providing a process for private enforcement if the City fails to enforce unauthorized camping; allowing the City to establish up to four authorized camping locations on public property where the City must provide running water, restroom facilities and lighting; and funding such camping locations with city revenues to support the city's homeless population.

WHEREAS, Denver is facing a public health and safety emergency with homeless campsites being set up across the city in spaces that do not have facilities to accommodate overnight stays;

WHEREAS, homeless campsites in areas that do not have basic services, such as restrooms or running water, has created a public health and safety emergency that is affecting all Denver residents and businesses;

WHEREAS, homeless campsites will be restricted to areas that have these basic facilities to support overnight stays in order to protect public health and safety of all Denver residents;

WHEREAS, Denver already increased taxes to support the City's homeless population and providing basic facilities for the City's most vulnerable homeless population shall be a funding priority;
