Request for Proposal (RFP) #HOST-83-2024**

**Addendum #3- Application Update & Extension**

**8/23/2024**

---

**Application deadline is extended to 8/30/2024**

We encourage all interested parties, including nonprofit organizations, to submit their proposals for this RFP. We recognize the diverse contributions that nonprofits make to our community and want to ensure they are included in this opportunity. Please note that while this RFP includes MWBE (Minority- and Women-Owned Business Enterprises) participation goals, nonprofits that are unable to meet these goals are still encouraged to apply. If you are a nonprofit and believe you may be exempt from these goals, you may still proceed with your submission. The determination of whether a nonprofit is exempt from MWBE requirements will be made during the evaluation period. This assessment will be based on the documentation and justification provided in your proposal.

We look forward to reviewing your submission and considering your organization for this important work.
