

Office of Human Resources
Behavioral Health Specialist – CS3419

THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs full performance level behavioral health work which includes counseling, needs assessment and evaluation, service referral and resource navigation, collaborating with community-based organizations and behavioral health providers, and supporting staff to effectively work with individuals in need.

Distinguishing Characteristics

The Behavioral Health Specialist independently performs individual behavioral health assessments to determine type and level of services and resources to be rendered, mitigate crisis situations, provide appropriate interventions, collaborates with community-based organizations and behavioral health providers to outsource individuals for specialized treatment and support, and works with professional and support staff to advocate on behalf of the client regarding barriers to efficient and effective communication.

This classification is distinguished from the Outreach Case Coordinator which performs advanced level work facilitating services for the vulnerable and referring clients to appropriate programs and services.

This classification is distinguished from Social Case Worker classification series, which performs professional level social work for Human Services regarding social services programs and requires State of Colorado certification.

Essential Duties

Performs behavioral health work which includes counseling individuals experiencing homelessness, substance abuse, mental health issues, and criminal justice legal matters, which includes performing needs assessments and evaluations, crisis mitigation and providing appropriate interventions, recommending services and resources, collaborating with community-based organizations and behavioral health providers to outsource individuals for specialized treatment and support, and working with internal staff to effectively work with individuals in need.

Works with stakeholders both internal and external to the city, respond to inquiries, and provides specialized and complex information and assistance with regard to individual behavioral health matters, which includes working with internal staff and external health providers to resolve discrepancies and guide decision-making.

Establishes, maintains, and coordinates services and activities with relevant community-based organizations and behavioral health providers, monitors and evaluates activities of agencies contracted to provide a variety of services, and evaluates progress of services.

Provides emotional support to individuals including children, families, elderly, and individuals experiencing homelessness to build rapport and assist with behavioral health and resource navigation, perform crisis interventions, and advocate on behalf of individuals who cannot fully express themselves.

Conducts needs assessments to identify barriers to communication, basic behavior health needs, identifies social determinants to health, level of substance abuse and mental health disorders, which includes obtaining background information such as medical records, economic and employment history, and legal records.

Works with internal staff to provide assistance, support, and training in working with clients and customers experiencing mental health and behavioral challenges in order to acquire services and legal representation.

Monitors and tracks client and customer progress and maintains records to case notes with regard to support plans and evaluations to ensure progress toward goals.

Reviews daily worksite incident reports involving individuals with mental health and substance abuse issues to respond to staff needs, gather details, and assess circumstances and contributing factors in order to reinstate services recinded due to behavioral issues.

Assists clients and customers to naviate resoruces and support available in the community.

Performs other related duties as assigned.

Employees may be redeployed to work in other capacities in their own agencies or in other city agencies to support the core functions of the city during a citywide emergency declared by the Mayor.

Any one position may not include all of the duties listed; however, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
