*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

Brief project description

51st & Zuni Park is a neighborhood park located in the Chaffee Park neighborhood with a great view to downtown Denver. This park features multiple sports fields, picnic sites, and a playground. The primary goal of this project is to renovate the existing playground, basketball court, and a picnic site located on the northern side of the park. In partnership with DOTI, a sidewalk along 52nd St will be constructed as part of this project.
