*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

Brief project description

Picnic improvements at Eisenhower Park will include a new mid-century modern shelter, picnic tables, and grills for the community to enjoy. New ADA compliant sidewalks will be installed to provide access along the pool and will connect to the picnic site by the playground. This project will improve the parks circulation and access between the picnic site and parking lot.
