**DENVERGOV.ORG/PARKPROJECTS**

\*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

#### Brief project description

Lindsley Park is an "athletic priority park", due to its many courts and fields. The existing picnic area supports these priorities by providing shade and seating for spectators. This construction project will focus on improving this picnic area by upgrading the circulation and accessibility around the picnic site, as well as replacing the existing shelter. This project has become possible through the fundraising efforts of the Bellevue-Hale Neighborhood Association.
