

Fine Schedule for Noise, Residential Health, Pools, Lead, Child Care, Body Art, Cannabis Businesses*, Regulated Venues where Sexual Encounters Occur**, and Settings where Public Health Orders are in Effect

Enforcement tools used by the Division of Public Health Investigations under Chapter 24, D.R.M.C. include civil penalties, court summons, retention of equipment, closure of businesses, placards, and orders to address public health hazards. The level of enforcement may vary depending on the nature of the violation, the duration of non-compliance, the history of non-compliance, the number of rule violations, and other applicable factors. Rules and regulations as well as additional information relating to these programs can be found on the [Department's website](#).

Type 1 (critical) Violation Fine Schedule

	<u>1st Level</u>	<u>2nd Level (repeated twice in 12 months)</u>	<u>3rd Level (repeated three times in 12 months)</u>	<u>4th Level (repeated four or more times in 12 months)</u>	Closures, imminent public health/safety hazards, refusal to allow inspection or failure to comply with orders	Repeat Closures, imminent public health/safety hazards, refusal to allow inspection or failure to comply with orders, and egregious violations
