

Advancing Equity in Rezoning Task Force Selection Criteria

The ideal committee will be made up of 15 to 25 participants selected based on the following:

- Racial and ethnic diversity
- A broad range of ages
- Geographic diversity within the City and County of Denver
- Gender diversity
- Income diversity
- Diversity of housing (i.e. residents who rent vs. own their homes)

Additionally, a well-rounded task force will include a variety of viewpoints, expertise and experience in:

- The Denver Zoning Code
- Denver's rezoning process and criteria
- Local land use
- Development (commercial and nonprofit)
- The impact of development, including involuntary displacement
- Communities and areas of the city potentially affected by the project, in terms of intent and potential outcomes
- Advocacy for equity, housing and neighborhoods
