REQUEST FOR BIDS - BID PACKAGE #2
Kraemer North America, LLC is the Construction Manager/General Contractor (CM/GC) for the East Colfax BRT. The Denver Department of Transportation and Infrastructure (DOTI) and Kraemer are requesting bids for Bid Package #2, the Aurora segment scopes of work.

This project will construct 2 new stations matching the character of the Denver segment at Havana, as well as construct level boarding platforms at a several other station platforms within the Aurora limits. In addition, the project will continue the fiber optic backbone from Yosemite to I-225, terminating in the RTD building east of the interstate. Kraemer has partnered with Sky Blue Builders to help administer and manage the construction of this complex infrastructure project. Kraemer will be the overall general contractor, with Sky Blue managing and coordinating the construction of the new station platforms.
