Agenda

- Project Information
- Schedule
- Phases of Construction
- What to Expect
- Potential Alternate Routes
- Contact Info
- Q&A

Project Overview

This project will enhance drainage in the intersection of E Louisiana Ave and South Pearl Street by making necessary surface and inlet improvements.

Benefits:

- Alleviate drainage issues to prevent future flooding
- Provide new pavement, curbs, sidewalks, inlets and landscaping
- Provide new crosswalk striping, maintain shared bicycle lanes and new ADA compliant curb ramps to address safety and comfort
- Detours and impacts to bus and bike routes expected

Schedule

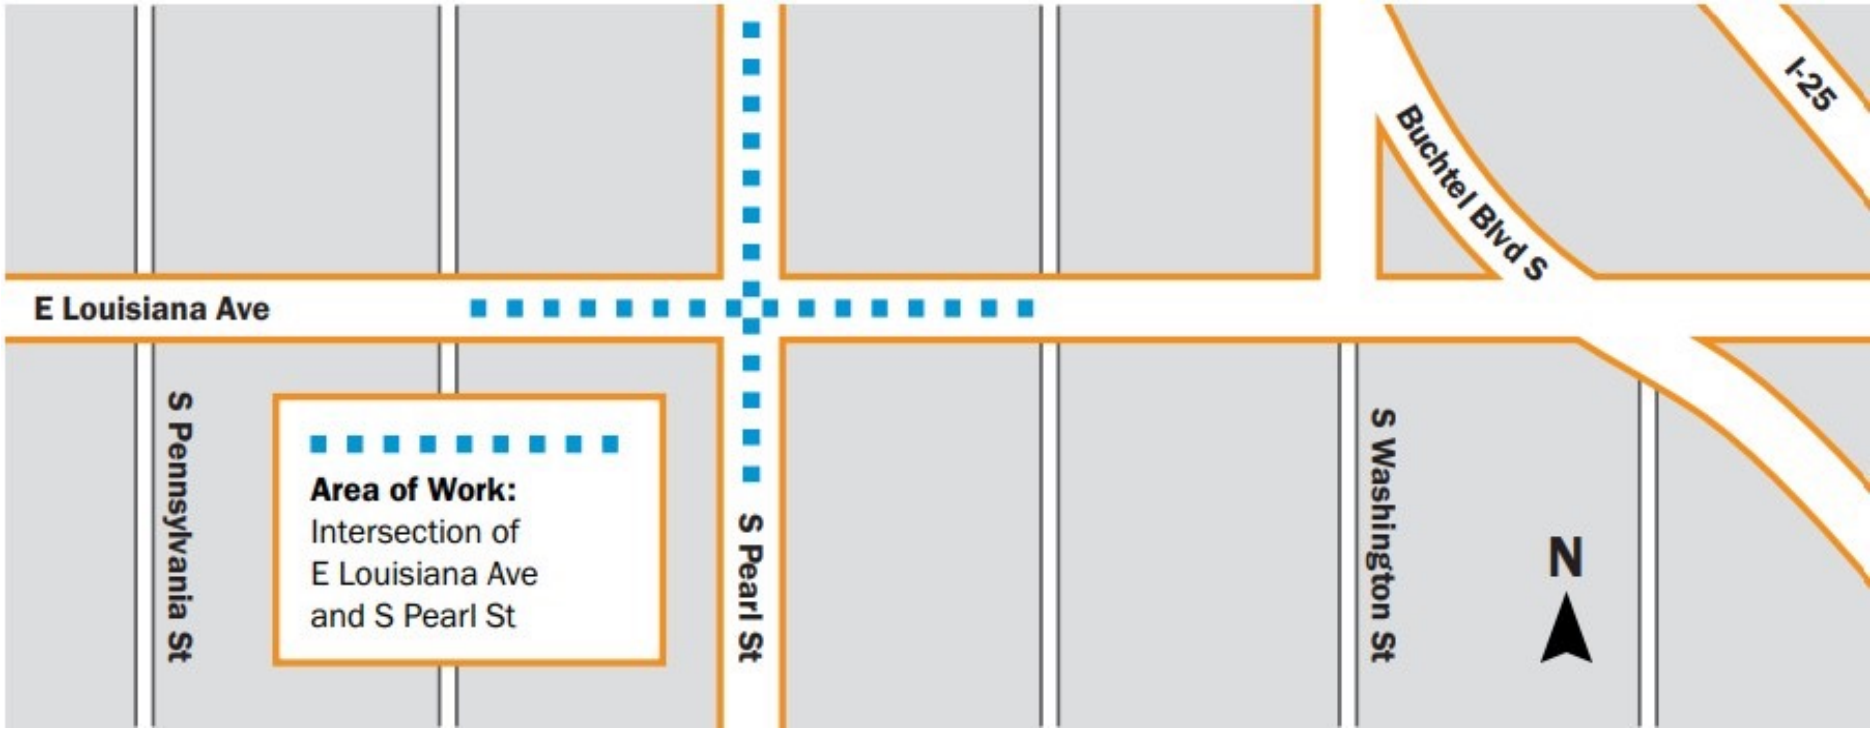
Start: May 2023

End: Q4, 2023

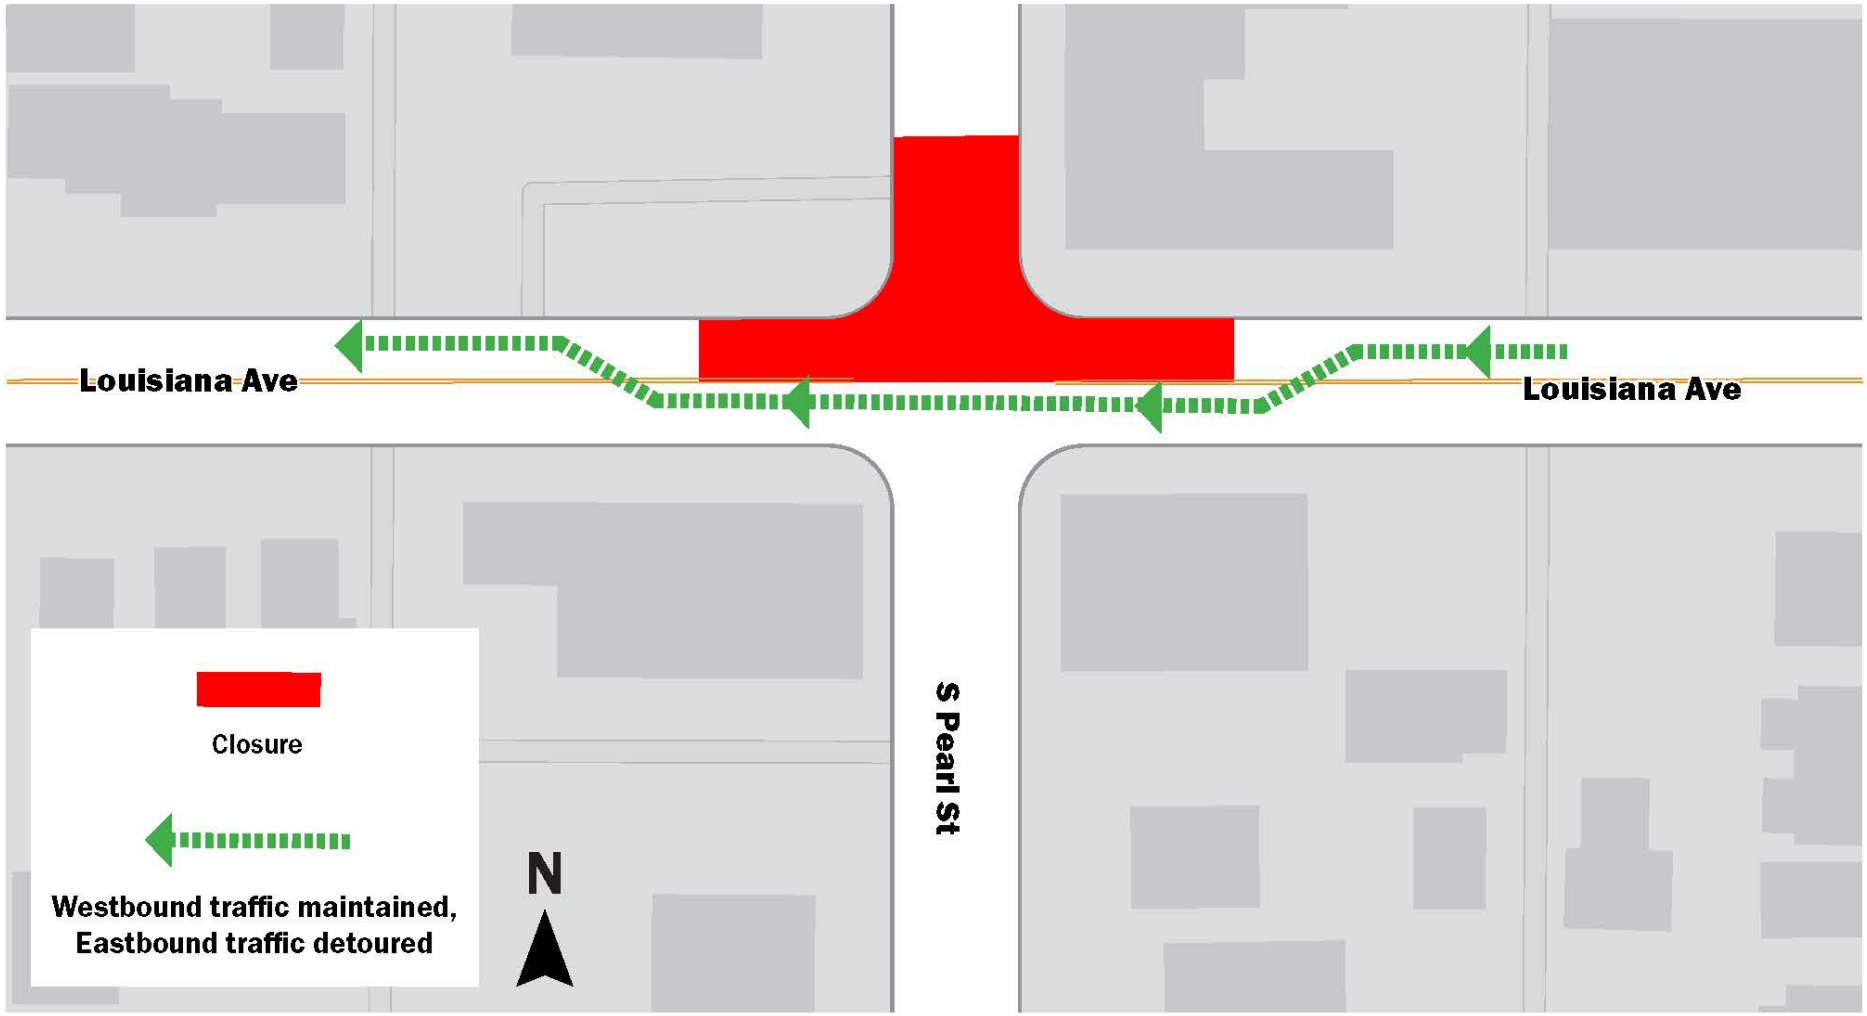
Work Hours:

Monday - Friday

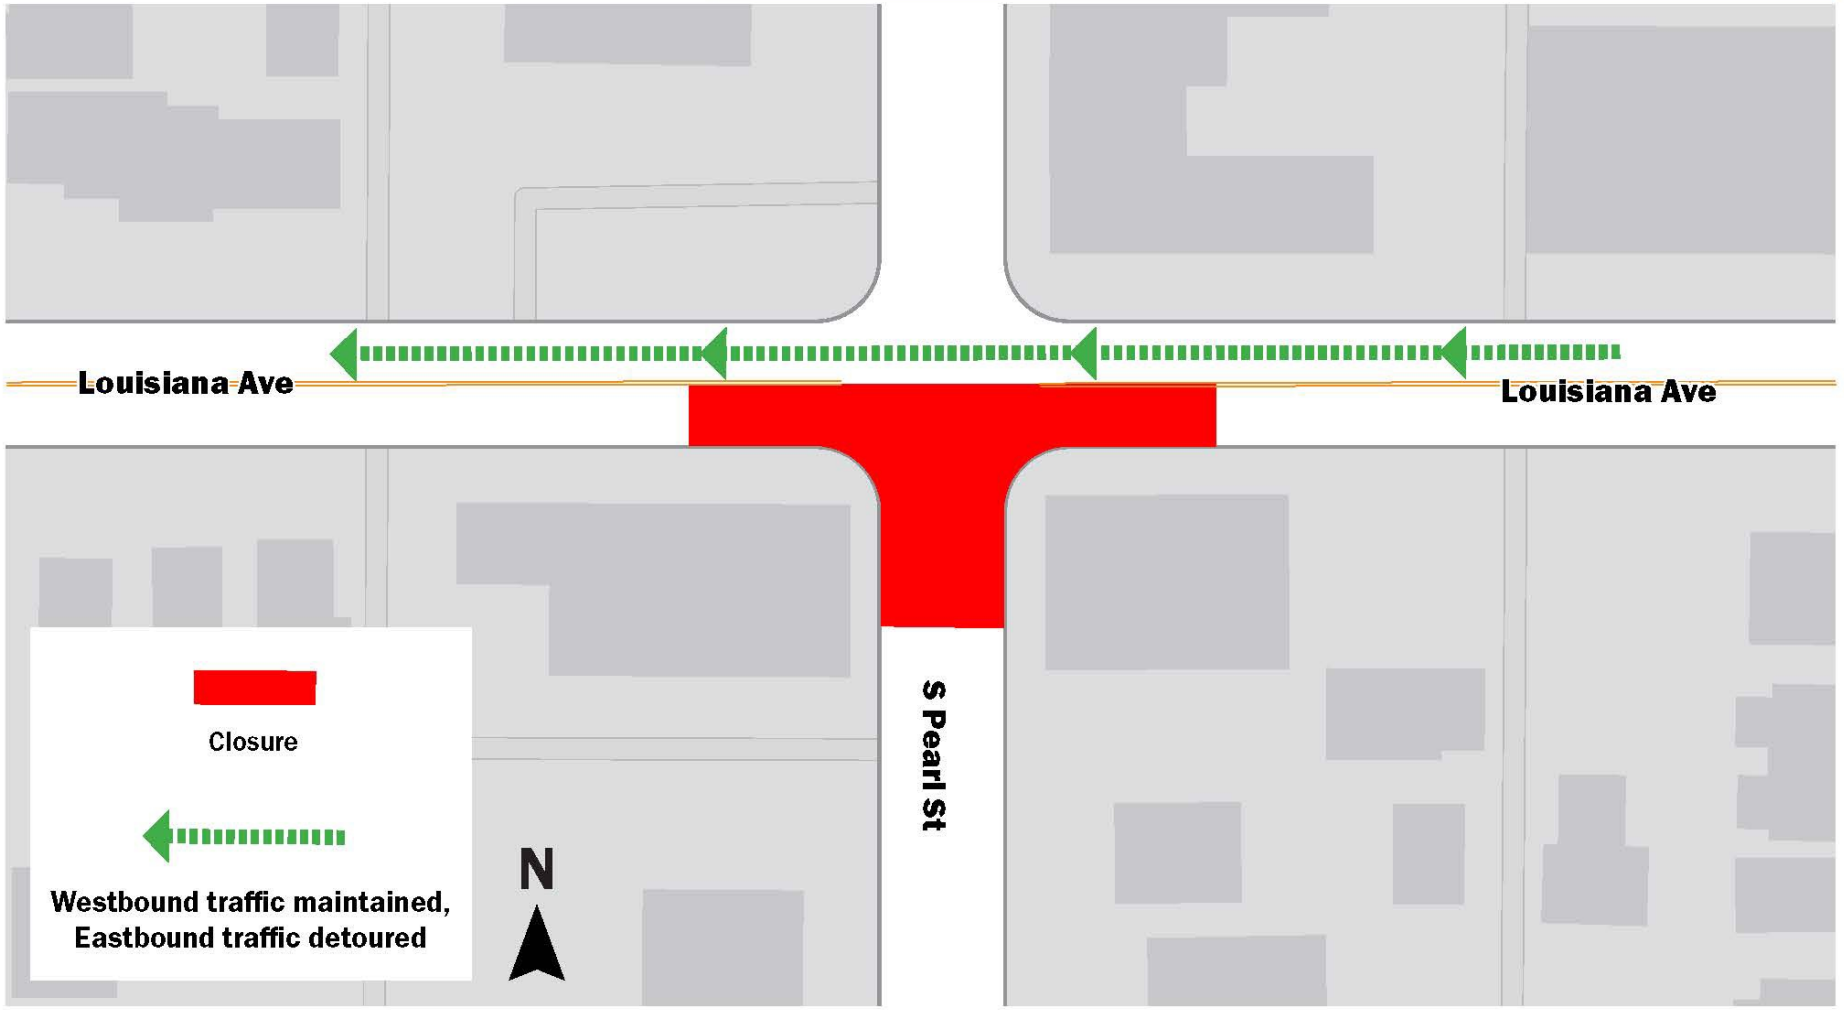
7 a.m. to 5 p.m.



Configuration 1



Configuration 2



What to Expect

- Business and residential access maintained to the greatest extent possible.
  - Access limited in specific locations.
- Pre-construction assessments.
- Noise levels within the DDPHE ordinance.
- Street parking limited.
- Contain dust as needed.
- Temporary utility shutoffs will occur.
- Timely communication.

Potential Alternate Routes
