Public Meeting
S Wolcott at Sanderson Gulch Storm & Sanitary Improvements

DOTI-IPM-WW

November 17, 2022

How to listen to Language Interpretation

Desktop (Windows / MacOS)

1. In your meeting/webinar controls, click Interpretation.
2. Click the language that you would like to hear.
3. (optional) To hear the interpreted language only, click Mute Original Audio.

Notes:

- You must join the meeting audio through your computer audio/VoIP. You cannot listen to language interpretation if you use the dial-in or call me phone audio features.
- As a participant joining a language channel, you can broadcast back into the main audio channel if you unmute your audio and speak.

Mobile Device (Android / iOS)

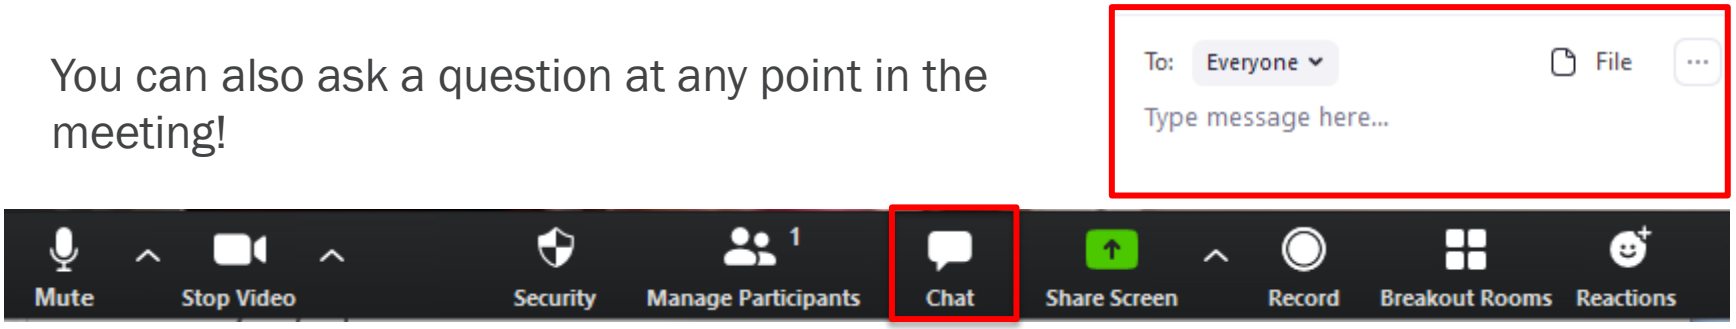
1. In your meeting controls, tap the ellipses
2. Tap Language Interpretation.
3. Tap the language you want to hear.
4. (Optional) Tap the toggle to Mute Original Audio.
5. Click Done.

Notes:

- You cannot listen to language interpretation if you use the dial-in or call me phone audio features.
- As a participant joining a language channel, you can broadcast back into the main audio channel if you unmute your audio and speak.

Virtual Meeting Reminders

- Please stay on mute to minimize background noise and distractions
- There is a chat window that will be monitored where you can ask questions.
- You can also ask a question at any point in the meeting!



Project Team

Contractor: Iron Woman Construction
