#### Brief project description

These park improvements will address the asphalt sidewalks (Meadow Loop) located south of the Washington Park Recreation Center and along the west side of S. Humboldt St. Two picnic sites (areas 1 and 4 on map) will receive much needed upgrades, which include the fireplace and gazebo near the sites, and ADA improvements. The tennis courts nearest to the playground will be rehabilitated or reconstructed to include new lighting, fencing, ADA sidewalks, nets and furniture.

Washington Park improvement areas outlined in red

\*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.
