

## DENVER MOVES: BROADWAY

Denver’s Department of Transportation and Infrastructure (DOTI) has been working to improve travel options for people who work, live, play and commute along the Broadway corridor.

The voter-approved Elevate Denver Bond Program invests \$12 million toward the construction of Denver Moves: Broadway’s South Segment which will connect the Cherry Creek Trail to Center Ave. and RTD’s Broadway Station.

### GOALS AND BENEFITS

Creating vibrant places while enhancing access to local businesses, neighborhoods and destinations, where people of all ages and abilities feel comfortable using any mode of travel is central to the project’s goals:
