

Office of Human Resources Internal Audit Director AO – CV3306

THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Directs Audit Services Division that include developing annual and multi-year risk assessments, work plans and strategies, ensures resources are available to achieve work plans, resolves complex business issues, and establishes management practices and processes that ensure the accomplishment of auditing and performance standards. The audit director is responsible for an effective quality assurance program and the quality assurance review of each engagement.

Distinguishing Characteristics

There are two classes in the Audit Management Series (Internal Audit Manager AO and Internal Audit Director AO). The Internal Audit Manager AO is a first level management class. An Internal Audit Manager AO oversees work groups/teams within a division and is generally responsible for supervising first or second line supervisors and/or individual contributors. An Internal Audit Manager AO position is operationally and/or functionally focused.

The Internal Audit Director AO is a mid-level management class. An Internal Audit Director AO manages a division and is generally responsible for supervising/directing managers, supervisors, and/or individual contributors. An Internal Audit Director AO position is operationally and/or functionally focused as well as strategically focused.

Essential Duties

Responsible for an effective quality assurance program. Development and management of the risk assessment process and audit plan.

Strategic planning for the division and monitoring of the implementation of strategies and directives to support the mission, goals and objectives of the Auditor's Office.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Communicates business and work area plans and goals to managers and/or supervisors. Reviews, approves, and implements recommended changes to plans and leads the development of process and/or operational improvements.

Prioritizes and allocates resources to achieve short-term and long-term strategies. Utilizes resources to develop or expand services and/or operation. Ensures resources are utilized appropriately and do not exceed the established budget without approval.

Creates and administers policies and integrates work group procedures across work areas for consistency.

Resolves sensitive, controversial issues by making decisions that are inclusive of multiple perspectives.

Represents the division/department in meetings with elected and/or appointed officials and other city entities.

Serves as the city representative with a variety of public, business, and community organizations. Fosters collaborative relationships to the benefit of the organization.

Reviews and approves performance metrics established by supervisors/managers. Assists staff in the achievement of performance standards while identifying opportunities for continual improvement.

Resolves escalated employee or citizen complaints including long-term resolutions in problem areas.

Selects, trains, develops, and evaluates subordinate staff.

Makes decisions on hiring, terminations, promotions, and disciplinary actions as required.

Develops and monitors the budget and oversees financial well-being by analyzing cost effectiveness. Directs cost control activities.

Fosters an atmosphere of innovation in order to challenge the organization to think creatively, especially as it relates to value added in the recommendations and presentations provided to auditees and residents of Denver.

Performs other related duties as assigned.

Employees may be re-deployed to work in other capacities in their own agencies or in other City agencies to support core functions of the City during a City-wide emergency declared by the Mayor.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
