

Office of Human Resources
Airport Planning Director - CE2779
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Directs a division of the Planning Office at Denver International Airport, which includes implementing work plans based on annual goals and the strategic plan, resolving citizen, operational, and management issues and achieving goals while ensuring resources are utilized appropriately.

Distinguishing Characteristics

The Airport Planner is a six (6) level classification series. Incumbents in these classes are responsible for developing airside and landside planning and project coordination work related to construction, capacity and efficiency at Denver International Airport with increasing responsibility and decision making at each level within the series:

- Airport Planner Staff
- Airport Planner Associate
- Airport Planner Senior
- Airport Planner Principal
- Manager Airport Planning
- Director Airport Planning

These classes are distinguished from the City Planning class series by the specialization of education and experience required for airport planning.

The Manager Airport Planning is a first level management class. The Manager Airport Planning oversees professional planning staff and may supervise first-line supervisors or individual contributors. A Manager Airport Planning position is operationally and functionally focused.

The Director Airport Planning is a mid-level management class. A Director Airport Planning oversees the planning division and is responsible for supervising managers, supervisors, and individual contributors. A Director Airport Planning position is operationally and functionally focused as well as strategically focused.

Essential Duties

Directs the preparation and publication of the Airport Master Plan and the Airport Layout Plan.

Directs the review and design of construction projects to ensure work meets program requirements and are consistent with the Airport Master Plan and FAA-approved Airport Layout Plan.

Directs the development and submittal process of project justifications, plans, and plan modifications for Federal Aviation Administration (FAA) approval.

Directs the review of development initiatives from other airport divisions to ensure work meets program requirements, are consistent with the Airport Master Plan and the FAA-approved Airport Layout Plan.

Represents DIA with other public agencies and provides input for regional land use and transportation issues. Reviews and comments on proposed legislation affecting land use, airspace, and access to and from the airport.

Directs the analysis of regulatory, demographic, and technological factors affecting the facility development needs of the airport. Provides subject matter expertise for studies and decisions to senior airport executives.

Contributes to the development and implementation of section work plans based on annual and strategic plans. Recommends and assists in the implementation of goals and objectives.

Communicates annual work plans to employees and ensures employees are focused on the work plan and achieving performance standards.

Monitors and directs daily operations to ensure that policies and procedures are being followed. Ensures that goals and objectives are met, services are being provided efficiently and effectively and takes corrective action when needed.

Ensures and utilizes staff and financial resources appropriately and shifts resources based on business needs within budget restraints.

Resolves operational and management issues and makes decisions that are inclusive of multiple perspectives and solves underlying problems.

Represents the work area(s)/division in meetings with elected or appointed officials and other city entities. Serves as a city representative on various committees. Fosters collaborative relationships that benefit the organization.

Creates and administers workgroup procedures and recommends and implements process improvements and policies for workgroup(s).

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Resolves escalated employee and citizen complaints.

Selects, trains, develops and evaluates subordinate staff. Makes decisions on hiring, terminations, promotions, and disciplinary actions as required.

Participates in the development of budget recommendations for operating and capital expenditures.

Performs other related duties as assigned.

Employees may be re-deployed to work in other capacities in their own agencies or in other City agencies to support core functions of the City during a City-wide emergency declared by the Mayor.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Thinking Strategically - Thinks strategically and promotes best practices and leading-edge ideas.

Deciding and Initiating Action - Takes responsibility for actions, projects, and people; makes quick, clear decisions which may include tough choices, after considering risks.
