

Office of Human Resources
City Surveyor - CE0381
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Responsible for directing the surveying functions of the city as well as professional Land Surveyors. This employee will function as the city surveying expert through project permitting, development and performance of professional surveying services and performs the statutory duties of the County Surveyor.

Distinguishing Characteristics

The City Surveyor is distinguished from the Deputy City Surveyor who is responsible for managing the surveying functions and projects in the Surveying division.

Essential Duties

Determines the City's vision in land surveying, mapping, and utility locating, and assisting in right-of-way acquisition.

Represents Denver County as the County Surveyor in conformance with Colorado State Statutes.

Directs and administers contracting for professional land surveying adhering to City policies and procedures.

Directs and administers the research of City ownership, right-of-way, and other property issues including the analysis, adjustment or transformation of cadastral data of the parcel layer with respect to the geodetic control layer within a GIS resulting in the affirmation of positional accuracy.

Directs and administers the review and/or approval of right-of-way dedication and vacation ordinances. Coordinates survey control with local jurisdictions, federal, and state agencies.

Determines the need of land surveys to establish and maintain survey control monuments.

Represents the division in meetings with elected and/or appointed officials and other city entities. Serves as a city representative on various committees across the State of Colorado.

Maintains the City's geodetic survey control monuments, which includes: inspecting monuments, coordinating the replacement of monuments with external contractors and coordinating control upgrades.

Ensures staff and financial resources are utilized appropriately and shifts resources based on business need within the budget restraints.

Implements policies, programs, operating procedures and practices for the division and effectively manages operating costs. Ensures all budgets remain at or below established targets.

Works with the management team and staff to recommend strategic initiatives, goals, and objectives for the division and once approved, to implement them.

Monitors and directs daily operations to ensure policies and procedures are correctly interpreted and followed. Ensures goals and objectives are met, services are being provided efficiently and effectively, and takes corrective action when needed.

Establishes and implements division's standards, procedures, systems and guidelines. Provides expertise and consultative guidance to internal and external stakeholders as assigned which may include elected and appointed officials, citizens, and members of the business community.

Fosters an atmosphere of innovation in order to challenge the organization to think creatively, especially as it relates to positive citizen and customer experience opportunities.

Performs other related duties as assigned.

Employees may be re-deployed to work in other capacities in their own agencies or in other City agencies to support core functions of the City during a City-wide emergency declared by the Mayor.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies
